THE Potentate's Message

MEDINAH
POTENTATE

Dear Nobles:

You are all aware from the July-August issue of Medinah Magazine of the excellent showing of our Units at the Imperial Council Session in Dallas and Ft. Worth. I would like to add my congratulations to each of the hard working Nobles and particularly to Clare B. Lang, Pilgrimage Chairman, who made the trip the tremendous success that it was. Never have I been more proud to be a member of Medinah Temple. All of us should let the Units know how much we appreciate their dedication.

We are now approaching what should prove to be the climax of our year—the visitation of our Imperial Potentate, Henry B. Struby, to the Fall Ceremonial on November 18th. Let us work together to make this a memorable occasion by bringing in one or more new members to participate in our journey across the hot sands to Mecca as portrayed by our excellent Ritualistic Cast.

It has been truly said that membership is the lifeblood of our organization. The support of all Nobles is essential for the continued success of Medinah. How many times have all of us heard a Mason say, upon entering the A.A.O.N.M.S., "Why didn't I do this years ago?"

In this troubled world of ours there is a need for the principles upon which our Order is founded. Now is the time to stand up and be counted as Masons and as Shriners. Will you join me?

Sincerely Yours in the Faith,

Thomas C. Roberts

Birdies, Eagles and Fun at Annual Medinah Golf Day

By Earl D. Emery

Headed by our Illustrious Potentate, Tom Roberts, decked out in white pants with a tic-tac-toe design in red, a capacity crowd descended on Medinah Country Club and played golf on one of the hottest days this last summer. Quite naturally, everyone blamed our good friend, Rev. Tim Reeves for doing too good a job, particularly when the temperature hit 95 degrees. But good natured Tim claimed he was only an intermediary.

In the Shrine Club Competition for the "Potentate's Cup" Aurora Shrine Club came in with the 1st low net of 301, the team consisting of Leo Tilly, Glen Pierce, W. D. Glann and D. W. Donelan. The 2nd low net was won by Glenbrook Shrine Club with a total of 314, the team being made up of Ray Phillips, Bob Finley, Bub Ostrand and Larry McElfresh. The first low gross went to Northwest Shrine Club with Vic Straz, Earl Nagel, Morey Anderson and Rex Sande totaling 293. Ed Steffey, Jr. had the low gross on No. 3 course. Trophies were presented to the winners by Potentate Thomas Roberts.

The Committee of Dick Spada, Leonard Japp and Dick Poulton, together with Lou Malnati had charge of the program. Gino Ricci and his very able assistants took care of the trophies and door prizes. Incidentally, Dick Spada was on the job at 6:00 a.m. and by the middle of the afternoon was feeling a little low, but he kept going until everything was cleared away for the day. Ed Mather was Chairman of the competition and did his usual excellent job.

Four other Temples sent expert golfers to enjoy the fun: Mohamad, Tebala, Tripoli and Ansar. Most of them played the Number 3 course, as did our officers. "Topper" Bischoff's first drive was a real doozy—it went all of 30 feet, while "Hi Shot" Lang hit the ball at least 100 feet in the air, only to have it land about 50 feet in front of the tee. Each lost at least two golf balls in water holes, but wound up having more fun than anyone, particularly when they got ribbed about their golf. They both showed that they were good sports about the "whole thing." "Spiro" Brown had a real good drive and cuts quite a figure in his shorts. One golfer (name withheld on request) had the temerity to drive his ball out of a water hole and was covered with mud, which didn't smell so good. One thing which surprised us was that Ray Giesel doesn't play golf any more than we do, but he certainly enjoyed circulating around the golfers and the club house.

It takes a lot of planning to make Medinah's Golf Day the great success it always is. Here's the Committee for 1972. Standing: Jerry Divisek, Gino Ricci, L. J. Malnati, Potentate Thomas Roberts, Richard Poulton, Carl Gutman, Jerry Helders, George Balow. Sitting: Richard Spada, Leonard Japp, Carl Lutz, Ray Eckersall.

(Photo by Olaf Engstrom)

At the first tee on the Number 1 and 2 courses the golfers encountered a little competition from the Hungry Five, with Paul Liebozeit at the trombone, Pete Keserich with the drum, Joe Caliguri playing the trumpet and leading the band, Al Wilde and his accordion and John Zuffrand playing saxaphone. As a golfer would start his swing, the group would let out a blast of "music," much to the delight of the watchers and kibitzers. Quite a number of drives ended in some real slices and hooks.

The dinner, prime rib with corn on the cob, was enjoyed by everyone, including Past Potentates Walter Vartan, "Bud" Weisenborn, "Brynie" Brynildssen, "Obbie" Anderson, Bill Sullivan, Bill Backus, Harold MacDonald, Walter Dill, Claude Hayward, John Morgan and Sig Chakow. It is always a pleasure to see Claude at one of our affairs, not only because he is our oldest living Past Potentate and has a heart regulator, but because he is one grand person and enjoys being with the Nobles.

Yes sir, it was a great day—everyone was dog tired when it was over—they were full of good food—they all had fun—and they are looking forward to next year. Prepare yourself, Tim, we all are counting on you.

WE GET LETTERS

Noble Allan D. Parsons
Editor in Chief
Medinah Shrine Magazine

Dear Noble Allan:

It is with genuine appreciation that I congratulate you and your Staff upon winning the Shrine Magazine award for 1972 and also to tell you that the July-August issue is sufficient, in its self, to win the 1973 award. It is the best coverage of Medinah activities, but covers the Imperial Convention too. (And who knows better than me as I have attended 38 sessions—beginning 1922 as member of the Color Guard Squad under Col. Fisher and Patrol Commander Dick Connell).

What I appreciate in the Magazine is the large coverage and the splendid manner in which it was done.

It took a lot of "Know-How" and much application of it and thanks to you and your entire Staff.

Yours in the Faith,
James C. Stewart

C/c: Potentate Tom Roberts

SPREAD THE FAITH

The next time you visit your Dentist or have an appointment with your Doctor you can do a lot of people a real favor . . . And to appropriate a phrase from Dave Lothian, Past Pres., Glenbrook Shrine Club, you can help "spread the faith." How??? By taking along this issue of Medinah Magazine (after you have read it of course) and leaving it on the reception room table. There are many Masons, members of the Rites and the Shrine who require the services of these professional men and, who knows, what great oaks may grow from the acorns you plant. Men who are not yet Masons and their families may find the copy you leave there the inspiration they need to light their fire and ask for a petition . . .

EVERYBODY BUT THE BEARS ENJOYED MIDWEST SHRINE GAME

By ALLAN D. PARSONS
Editor, Medinah Magazine

It was a beautiful Sunday evening in Milwaukee for the 47,222 spectators who gathered on August 27th at County Stadium for the 23rd annual Midwest Shrine football game between the Green Bay Packers and the Chicago Bears. It was a great occasion for the Shrine Temples whose colorful marching bands and uniformed Units performed during pre-game and half-time ceremonies. And it was a bountiful bonanza for the Crippled Childrens Hospitals which received an advance check of $65,000 from the proceeds with a promise of much more when the computer completed its calculations.

But it wasn't "so pretty good" for the baleful Bruins who lost the National Football League exhibition contest in the last unlucky 13 seconds when Chester Marcol kicked a 40-yard field goal and gave the Pack a 10-7 victory.

The weather was threatening when Medinah's Units boarded chartered busses at Ford City, Oak Brook, Old Orchard and Medinah Temple and headed for Tripoli Temple in Milwaukee. But the old tradition held and nary a drop of precip fell on the Shrine. The Medinah contingent of some 450 Nobles arrived, enjoyed the customary Milwaukee-style outdoor buffet, shared in the fellowship with representatives from the other Midwest Temples and proceeded to Stadium.

Led by Parade Marshal Donald Charlton and Joseph Stehlik, who carried the Medinah sign, the following Units marched onto the field for the pre-game activities: Color Guard (led by Sgt. Alfred Ziehm), Brass Band (Paul Barber), Arab Patrol (Major Walter Egebergh), Military Unit (Executive Officer W. L. Bader), Police Unit (Merlin Nygren), Fire Unit (Norman Brown), Clowns (Richard Ray King), Indians (Merle Clow), Aviators (A. Steve Betzelos), Oriental Band (Morton Petrie), Marshals (Geno Ricci), Chanters (John Carlson, Jr.), Highlanders (Harry Strouse), the Patrol Ford (Sgt. Jerry Vavra), and the Motor Corps (Commander James Sotern). Illustrious Potentate Thomas C. Roberts and the members of the Divan formed a reviewing line and received the salute of the marchers as they passed.

Dr. Chester A. Sattler, Tripoli's Potentate, and Lester H. Ness, Past Potentate and Executive Director of the Midwest Shrine Football Game, presents the football to Medinah's Potentate, Thomas C. Roberts—who accepted it on behalf of the many Medinah Units whose members made the trip to Milwaukee and helped to make the evening an outstanding success by participating in the pre-game and half-time ceremonies.

(Photo by Tripoli Photographers)

One of the highlights of these annual games was the formation of the cross by the Knights Templar from Wisconsin. They paraded onto the field with massed bands playing "Onward Christian Soldiers."

At half time a red carpet was rolled out and a podium set up in mid field. Lester H. Ness, Past Potentate of Tripoli Temple and Executive Director of the game presented Imperial Potentate Henry B. Struby, who addressed the throng as the representative of nearly 900,000 Shriners. Dr. Chester A. Sattler, Potentate of Tripoli Temple, presented the check in the amount of $65,000 to Imperial Sir Struby for the Crippled Childrens Hospitals. To this magnificent sum will be added a substantial contribution from the receipts of the night when the audit of the funds is completed.

Mary Sue Nielsen, a former patient of the Chicago Unit of the Crippled Childrens Hospitals, was crowned the Queen of the 1972 Shrine game. With her on the platform was Joanne Simo, 1971 Queen. Potentate Sattler presented a check for $1,000 to Miss Nielsen to further her education.

On that fatal Sunday—fatal, that is, to the Chicago Bears who dropped the "drab, defensive-minded struggle" with the Packers, another Chicago team—the pennant contending White Sox lost an important baseball game during the afternoon to Milwaukee by the score of 4 to 3. After the baseball game the groundkeepers and maintenance crew took over and had the playing field and the stands in immaculate condition for the evening. No one could have known that an earlier ball game had been played on the same grounds if he hadn't attended the game or watched it on the air or read about it in the papers.

So far we haven't mentioned the Medinah Press Corps. Our writers and photographers didn't march during the ceremonies—but they were everywhere from the top deck of the Stadium to the sidelines of the gridiron with their scratch pads and cameras to record the Temple's participation on this outstanding Shrine Night for the Nobility who didn't make the trip, the gals we left behind (they didn't accompany us), and all of our readers. For a visual report of what happened turn to the photographs in this issue.

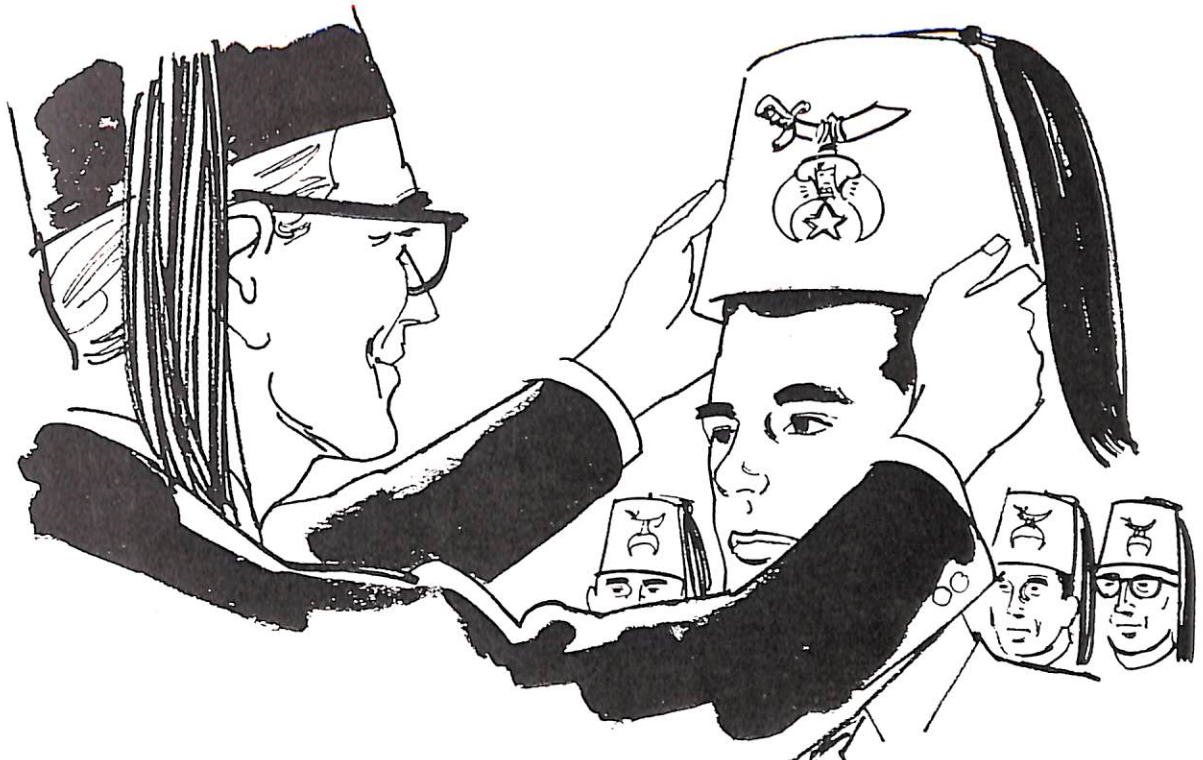
AN OPPORTUNITY FOR YOUNG MEN



Many Shrine fathers have had the pleasure of seeing their own sons initiated into the Noble fraternity. Carrying on the work and tradition of Shrinedom requires the addition of younger men.

The ranks of the Shrine have been swelled by many young men in recent years and now include astronauts, major league baseball players and young, vigorous leaders from all walks of life. Men may become members of the Masonic fraternity at 21 and are eligible for the Shrine as soon as they have completed the requirements of the prerequisite bodies. Every Noble should remember that young men are needed for Shrinedom to keep the fraternity strong and active.

Astronauts, baseball players and other vigorous young men take active part in the organization's functions.

Taking part in activities with youngsters is something that may occupy the time of younger Shriners.

HOW SHRINE FAMILIES ENJOYED THE ANNUAL PICNIC

By Janet and Laura Dayton

(Granddaughters of Press Corpsman Gil Dayton)

Remembering the fun we had at last year's Medinah picnic, we had been impatiently waiting for July 29th to come—it seemed it would never arrive! Being anxious to get there, it seemed like a long ride to Holiday Park but when we arrived, the trip was worth it.

After parking the car on a grassy hill and walking through the banners of several Shrine groups, we had a wonderful time at the beach—splashing, swimming and diving from the raft, as well as sliding down into the water.

After swimming, it was time for a grand picnic lunch and some pop from the West Suburban Shrine Club's ice-filled tub. The Oriental Band visited each group, with those reedy horns and booming drums.

After lunch, it was time for the rides, and we had a big thrill going up and down the chair lift. It was so far down to the ground while we were on the way, but the view was beautiful from the top, where we could see several lakes. Then we had a dizzy ride on the Tilt-a-Whirl, and almost got scared when the Ferris Wheel stopped to load, with us at the very top!

We simply couldn't do anything more without having another swim, and we really hated to come out of the water. But there were the boats to see, over on the lake, and we went out on one of those catamarans which you pedal like a bicycle, and was it fun!

To top everything off, we had the ice cream cones provided by Medinah, and we walked around the park seeing the banners of all the organizations and the fun each group was having. We stopped by the big tent where the Potentate and his Divan reigned over the entire affair, and watched the Highlanders play their bagpipes from place to place.

There were races for everybody, and best of all, everybody won something even if he wasn't among the first ones to cross the finish line. Funniest of all was the pie-eating contest, with every contestant getting a purple, blueberry-smeared face. Imagine the contest being won by a GIRL!

We learned a lot more about Medinah Temple—its many Units and Shrine Clubs with their colorful uniforms and banners; and how it's all for the benefit of crippled children who might not otherwise have help. We thought it was nice, tho, that the Shriners think of their own children and grandchildren by having such a wonderful picnic for them, each summer. The Shriners and their families had a good time, too.

YOU ASKED FOR IT

Q. Having been a member of the Shrine for many years I have forgotten the meaning of purpose of the emblems of the Order. Will you please enlighten me?

A. The emblems and jewels are the characteristic insignia of the Oriental nation from which the order emanates. They are the Crescent, Pyramid, Sphinx Head, Panther-bodied Female Sphinx, the Urn, Sun, Moon, Stars and are used to decorate the Tombs, Banners, Draperies, Costumes and Regalia.

Q. Please explain the proper insignia worn on our fez. I think it is referred to as a JEWEL.

A. The original and universal Emblematic Jewel is the Crescent, formed of two nails from a tiger's paw, united at their base with a band of gold, and a ring at the base to suspend it as a charm or jewel, and to be hung points downward. The gold band should be decorated with the Sphinx Head on one side, a Pyramid with Urn upon it on the other side and inside the circle "Allah" or God, and the motto of the Order, which is "Robur et Furor."

Q. When and where are the proper times and places for a Noble to wear his fez?

A. The wearing of the Fez on occasions other than meetings of the Temples or gatherings of Shriners under the authority of some legal body of the Order is ill advised and Potentates shall prevent such action by their members. Wearing the Fez on trains, planes and other public means of transportation where many non-members of the Order are also passengers, such as traveling to Conventions, etc., is frowned upon.

DeMOLAY SERVES AT VETERANS HOSPITAL

Every Sunday a Chapter of the Order of DeMolay is active at the Veterans Hospital. They serve by wheeling patients into Church service. This volunteer work is divided so that a different Chapter serves each week, approximately once each month.

To Keep Your Fez In Shape

Take the plastic cover from a 2-lb. can of coffee; punch a hole in the center of it and place it as high up in the crown as possible. Insert the tassel cord through the hole, and anchor the clip. To clean (if you do not have a hat block) stuff the fez with tightly wadded newspaper; then take a soft cloth slightly dampened—but not saturated—with cleaner's naphtha and rub briskly over the entire fez.

ROBERT T. BOYAJIAN

Who Is the DeMolay Boy?

He's the fellow between the ages of 14 and 21 who has dedicated himself to God, his country and to his parents.

He's the fellow who is privileged to give expression to these virtues in DeMolay service.

He's the fellow who believes in spiritual values and has the courage to live them every day.

He's the fellow we ask to fight for our country when it is in danger and the measure of his service is the measure of our security.

He's the fellow who reverences mother and who never is happier than when his dad is his pal.

He's the fellow who seeks to serve others and aspires to leadership as prerequisites to good citizenship.

He's the fellow who likes to work and play with other boys and work and play make a good DeMolay.

He's the fellow for whom you are working and he will carry on what you have started.

He's the fellow into whose hands we will deliver the fate of our nation and, perhaps, the fate of all humanity.

That's the fellow who is the DeMolay boy and he is your son and my son.

Some of the Medinah Picnickers will be very much surprised to see their "pictures in the paper" . . . Here are 13 lucky "grab shots" taken by our Candid Photographers Grant Johnson and Robert Keith. We particularly call your attention to the interesting expressions the cameramen captured while roaming around the Holiday Park acres.

You can judge for yourself whether the committee's promise of "something for everyone" was lived up to. Everybody enjoyed "doing his own thing" . . . even if it was only snoozing, fishing, playing a musical instrument, taking pictures, playing cards, relaxing, making-up or feeding.

Shrine Night at White Sox Park

Another Medinah "First" Aids The Crippled Children's Hospital

By Harold A. Shanafield

America's national pastime added a new dimension—concern for crippled children—when the proceeds of the twi-nighter between the Chicago White Sox and the Kansas City Royals on July 27 went to the Chicago Unit of the Shriners Hospitals for Crippled Children.

Through arrangements effected by Medinah's Illustrious Potentate Thomas C. Roberts and Noble Stuart K. Holcomb, Executive Vice President and General Manager of the White Sox, a portion of each ticket sold by Shriners for the double-header was contributed to the Shriners Hospital for Crippled Children. Final figures were not available at press time, but the financial contribution to the operation of the Chicago Unit will be considerable, Potentate Roberts believes.

More than 23,000 fans attended the midweek contest, the size of the crowd being swelled by the 11,000 seats sold by members of Medinah Temple.

Thousands of red fezzes could be seen in every section of the White Sox ball park that night. Sports enthusiasts were made conscious of the fraternity by the presence of a seven-man color guard which marched sharply to the center of the diamond and presented the colors while the crowd in the stands rose to sing the national anthem.

But the impact of the Shrine, however, became overwhelming during the pause between games. It was then that everyone in the stands was impressed by the colorful ceremonies presented by Medinah's Units.

Entering from the center field bullpen, the Units paraded around the playing field. Led by the Oriental Band, which proceeded to home plate, the following Units, under the direction of Don Charlton, Commander of the Military Unit, added their color and pageantry: Arab Patrol, Greeters, Marshals, Police, Fire, Chanters, Indians, Highlanders, Clowns, and Sheiks.

With the assistance of an electronic amplifying system, the Oriental Band, the Chanters, and the Highlanders could be heard throughout the ball park as they performed. At the same time the electric scoreboard, the "Soxogram," carried the message in lights that the Chanters and the Press Corps had won first place at the Imperial Council Session in Dallas.

Illustrious Potentate Thomas C. Roberts and all the members of his Divan were presented to the throng. While Potentate Roberts and White Sox Executive Stuart Holcomb met in the infield and shook hands, the gigantic scoreboard atop the center field fence exploded in a blaze of fireworks and a flurry of sound to climax the Shrine's athletic evening.

At this point, the Units marched off the field, the blue-clad umpires took over again, and the behind-the-plate arbiter shouted "Play Ball!" for the second game.

Shrine Night at White Sox Park was a fascinating one in every respect from the action starting in the first inning when Kansas City's second batter, Steve Hovley, stroked a homer with the lead-off man aboard to rocket the Royals to a two-run lead. The Sox were not to be denied, however, as Dick Allen crashed a powerful blast into the upper deck of left field in the third inning and dropped another in the seventh into the right field stands. With assistance from the bats of his teammates, Knuckler Wilbur Wood notched his 16th victory, 7-3.

In the nightcap, however, the Sox bats had lost their power and the Royals' Roger Nelson, once the property of the South Siders, limited the Alabaster Hose to four singles and broke the Chicagoan's victory skein at four, shutting them out, 3-0. The White Sox hurler, Stan Bahnsen, had a no-hitter going for 7 2/3 innings, but at that point the Kansas Citians collected their first of five hits that sent Bahnsen to the showers and his 11th defeat.

WHEN IS A MAN A SHRINER?

A man is a Mason and a Shriner when he can look over the rivers, the hills and the far horizon with a profound sense of his own littleness in the vast scheme of things and yet have faith, hope and courage. When he knows that down in his heart every man is as noble, as vile, as divine, as diabolic, and as lonely as himself and seeks to know, to forgive and to love his fellowman.

When he knows how to sympathize with men in their sorrows, yea, even in their sins, knowing that each man fights a hard fight against many odds. When he has learned how to make friends and to keep them and above all, learned how to be friends with himself. When he loves flowers, can hunt the birds without a gun and feels the thrill of an old forgotten joy when he hears the laugh of a little child.

When he can be happy and high-minded amid the meaner drudgeries of life. When starcrowned trees and the glint of sunlight on flowing waters subdue him like the thoughts of one much loved and long dead. When no voice of distress reaches his ears in vain and no hand seeks aid without response. When he finds good in every faith that helps any man to lay hold of higher things and to see majestic meanings in life whatever the name of that faith may be.

When he can look into the wayside puddle and see something besides mud and into the face of the most forlorn mortal and see something beyond sin. When he knows how to pray, how to love, how to hope. When he has kept faith with himself and his fellowmen and with God. When in his hand is a sword for evil, in his heart a bit of song, glad to live, but not afraid to die.

In such a man whether he be rich or poor, scholarly or unlearned, famous or obscure, Shrinedom has wrought its sweet ministry.—Selected.

MASONIC MEMORIAL TO BE COMPLETED

The George Washington Masonic National Memorial at Alexandria, Va. is going to achieve completion after nearly a half century of labor. The association which represents all the Grand Lodges in the United States took action in February at its annual meeting in the Memorial. The cornerstone of the massive Memorial was laid in 1923. The structure cost $5.7 Million to build and equip, today has an appraised valuation of $14 Million. Yet to be done are lighting the outside, landscaping and trouble with the heating system. During the past year 109,000 persons visited the Memorial.

Highlanders and Svithiod Shrine Club are First in Petitions, May 5, 1972 Ceremonial

By Frank C. Heatley
Membership Chairman

Highlanders and Svithiod Shrine Club are first. Quotas are figured at 5 percent of membership as shown on the records of Medinah Temple.

Highlanders with 19 Petitions with a quota of 1, based on a membership of 19 came up with 1900 percent.

Press Corps with a Membership of 29—quota of 2, had 21 Petitions for 1050 percent for second place.

Membership with 49 members, a quota of 3 had 24 Petitions for 800 percent took 3rd place.

The Motor Corps finished 4th with 700 percent followed by the Marshals and Entertainment each with 600 percent.

Svithiod Shrine Club took first place among the Shrine Clubs with a quota of 6 based on its 121 members, turned in 9 Petitions which gave them 150 percent to lead all Shrine Clubs.

Second place went to South Suburban Shrine Club with 14 Petitions based on a membership of 218, a quota of 11, for 128 percent.

Lake County took third place with 16 Petitions, based on a membership of 336 with a quota of 17, for 95 percent.

All Shrine Clubs, Units and Committees did very well in bringing in Petitions. My thanks go to all who have worked so hard to make a good showing.

I especially wish to thank the Nobles who are not affiliated with any of our Units, Committees or Shrine Clubs who brought in many Petitions. REMEMBER, MEMBERSHIP IS EVERYONE'S BUSINESS. HOW'S BUSINESS?

Information from the Recorder's Office

MANDATORY STATUS

To be a member of the Shrine one must be a member of either the Commandery, Knights Templar, or the Consistory, Scottish Rite Masons. It is not compulsory to be a member of both Rites, but good standing in the Rite of one's choice is obligatory.

For one to be a member in good standing in either of the above mentioned Rites you must definitely be of good standing in your Blue Lodge.

This was the requirement when you came into the Shrine and this is the way it must stay as long as you are in the Shrine. Every year a certain number of Shriners figure they can go along in the "Sunshine of the Shrine" and not pay their dues in the Masonic Bodies. Consequently it becomes necessary, in such cases, for the Shrine to suspend those Nobles who fail to pay their dues in the Masonic Bodies.

Nobles, don't let this happen to you. Remember that to remain in the Shrine you must maintain your "status quo."

Nobles, have you heard about the new class of Membership which was established at the recent Imperial Council Session? Associate Membership!! A Noble can now affiliate with a Temple where he resides (as an Associate Member) without demitting from his original Temple. This means that Medinah Nobles who have moved to Florida, Arizona, California, etc., will *not* have to demit from Medinah in order to become active in Mahi, Egypt, Araba, El Zaribah, Sabbar, Al Malaikah, et al. Likewise, if you know a Noble residing in Chicago area who is a member of another Temple, but who has hesitated to demit to Medinah, explain this to him and urge him to consider Associate Membership in Medinah. A phone call to the Office will get you additional information and the required Petition forms.

We have already elected our first Associate Member. We welcome Noble James J. Cunningham, Jr., son of the Potentate of Al Malaikah Temple, who lives in Arlington Heights; he retains his membership in Al Malaikah under these new rules.

We had 281 members of the 100 Million Dollar Club as of August 31; and about 15 more have come in since the first of September, but we are a long way from the goal set by our Imperial Potentate. How about filling out that coupon on page 52 and mailing it with your check? A number of our Nobles have complained that their names were not listed as members—they had sent their coupons through another Temple, or direct to the Hospital, or to the Imperial Office. These are not always reported to the Temple; please send yours to Medinah Temple so that it can be properly recorded.

Thanks to seven Medinah Nobles who purchased Permanent Contributing Memberships in our Hospitals during August. All of you younger Nobles should consider doing this; you will forever be exempt from the $5.00 Annual Hospital Assessment, and the $150.00 is tax deductible.

CARL W. LUTZ

Medinah's First Associate Member

Medinah Temple's "1st" Associate Member, James Cunningham, who—with his two brothers—was created a Noble in Al Malaikah Temple in Los Angeles in the Spring Class by their father, James J. Cunningham, Potentate. Because Noble Jim is a resident of Arlington Heights and active in this area (he is a member of Arlington Heights Lodge) he petitioned Medinah for Associate Membership and the petition was approved at Medinah's Stated Session on September 11. This was the first such membership recorded by Medinah under the Imperial Council resolution which was adopted in Dallas at the 98th Session.

MEMBERSHIP AVAILABLE IN MORE THAN ONE TEMPLE!

ANY NOBLE IN GOOD STANDING IN A SHRINE TEMPLE MAY NOW APPLY FOR MEMBERSHIP BY ASSOCIATION IN A SECOND TEMPLE.

This became effective during the Imperial Council Session in Dallas when an association membership resolution was passed by the representatives at the meeting.

This means that a Noble need not demit from his own Temple in petitioning for associate membership in another Temple. He will obtain all the rights and privileges of Temple membership except holding office in the second Temple.

He will pay dues to each Temple, but cannot transfer a life membership from one to the second Temple. The associate membership becomes void if the Noble does not remain in good standing in his original Temple.

An outstanding advantage of this resolution is that it should result in an increase in membership for all Temples. Nobles who have moved to this area from other jurisdictions may become members of Medinah Temple—and take an active part in Medinah activities and functions, become a member of a Medinah Unit, Committee and Shrine Club. The only restriction is that the associate member cannot hold office.

So . . . now is the time for the Nobility of Medinah to sign up candidates for associate membership. Petitions may be obtained from the Recorder's Office.

Dear Nobles:

As a part of Medinah's philanthropic endeavors and fulfilling our humanitarian concern, the Nobles of our Temple will again assist The Salvation Army by manning Christmas kettles on Saturday December 2, 1972.

This will represent the fifth year that we have joined with this great organization, The Salvation Army, in helping the needy and unfortunate. This is a day when each of us can share our good fortune with others by giving a few hours of our time.

I would like to urge the participation of all our Units, Committees and Shrine Clubs in this deserving effort. It is a way in which we can do a good deed and show our interest in the welfare of others.

It is my hope that you will respond promptly and wholeheartedly to Noble Don Charlton, Chairman, and his "Operation Christmas Spirit" Committee's appeal for your help. Your participation will portray our Nobility's Spirit of Christmas.

Sincerely yours in the Faith,

Thomas C. Roberts

Medinah Nobles to Assist The Salvation Army for Fifth Year

Illustrious Potentate Thomas C. Roberts has announced that the Nobles of Medinah will conduct their "Operation Christmas Spirit" by again manning Salvation Army Kettles on Saturday, December 2, 1972.

Donald S. Charlton, Commander of the Medinah Military Unit and Parade Marshal, has been appointed Project Chairman of the Day. Assisting Noble Charlton as Vice Chairman will be Wilmer Bader, Executive Officer of the Military Unit. Raymond E. Giesel, Oriental Guide, has been named advisor. Serving on his committee will be Harold C. Peterson, Allan D. Parsons and Ole Engstrom, of the Press Corps.

This will be the fifth year that the Nobility of Medinah has assisted in this great philanthropic effort. In the past four years Medinah members have collected a total of $23,792.25 to provide Christmas cheer for needy families and less privileged youngsters. In 1971 a total of 407 Nobles participated by giving two to three hours of their time in manning The Salvation Army's traditional Christmas Kettles in the loop and selected suburban shopping plazas.

The Nobles wear their fezzes proudly and identification breast placards reading: "Shriners of Medinah Temple Helping Salvation Army Help Others."

All members of Medinah Units, Committees and Shrine Clubs are invited and urged to participate in this very important day of good deeds. Location assignments will be made at the earliest possible date with priority given to the groups' past participation and the convenience of its members.

All Group Heads should notify Donald S. Charlton c/o The Salvation Army, 875 N. Dearborn St., Chicago, Ill., 60610, telephone 649-1300 Ext. 33 of their wish to take part and their requested location and alternate location.

IT'S AS SIMPLE AS THIS . . .

If every member of Medinah got just one petition, we'd have the largest class in the history of Shrinedom. Let's start NOW!

YOU ARE INVITED TO JOIN THE 100 MILLION DOLLAR CLUB

You are invited by Imperial Potentate Henry B. Struby and Illustrious Potentate Thomas C. Roberts to join your fellow Nobles, whose names appear on this Roster, as members of the Shriners "100 Million Dollar Club." You can become a member by contributing $100 or more, or making a provision in your will to bequeath a like sum to the Shriners Hospitals for Crippled Children.

This worthy Club was organized by Imperial Sirs C. Victor Thornton and Henry B. Struby to enlarge our Endowment Funds during the Shrinetennial year and to meet the increasing budgetary requirements of the 22 Shrine Hospitals. It may be pointed out that the 1972 budget of the Chicago Unit alone is one million dollars.

Listed below are the names of Medinah Nobles who have become members of the One Hundred Million Dollar Club. Although the roster increases month by month there are those who have been waiting to make their contributions. You are urged to wait no longer. Join now by filling out the convenient coupon on page 52 and mailing it to Carl W. Lutz, Recorder. Membership is also open to friends of the Shrine, business associates and organizations. The year is rapidly drawing to a close. Your contribution is tax deductible.

Be a proud Shriner. Medinah would like to welcome you into the Club and add your name to the membership of the One Hundred Million Dollar Club in the next issue of Medinah Magazine. Have your pen handy? Mail the coupon today while you are thinking of it.

ANOTHER SUCCESSFUL HOSPITAL SEMINAR

By GENE E. YEAZELL
Administrator, Chicago Unit

On Sunday, September 10, 1972, the Chicago Unit hosted a gathering of Divan members and their wives representing ten of fourteen Shrine Temples that are affiliated with the Chicago Hospital. They were welcomed to the hospital by the Chicago Board of Governors and their wives.

The purpose of this third Annual Divan Seminar was to provide an opportunity for Divan members and wives to become better acquainted with the work of the hospital and to encourage their active support while providing leadership to their respective Temples.

Following a light luncheon, James Green, Chairman, Board of Governors, Chicago Unit, welcomed the group and introduced Bob Bailey, P.P., Orak Temple, a member of the Board of Governors and Chairman of the Board's Temple Relations Committee, who acted as Master of Ceremonies. He, in turn, introduced the following program:

Robert Krause, Chairman of Moslem Temple's Crippled Children's Committee, and Clark Joy, Secretary of the Board of Governors, from Al Koran Temple, told of their Temple's successful work in finding children who could benefit from the services of the hospital.

William Bodinus, Chairman of the Board of Governor's Building Committee and a member of its Admissions Committee, explained the application process and the importance of properly completing a patient's application.

The important 100 Million Dollar Club and use of memorial envelopes were reviewed by Allan Mallquist, a member of the hospital Board of Governors, from Tebala Temple, and Secretary of the Imperial Endowments—Wills and Gifts Committee.

The organization and administration of the hospital and its medical staff were covered by Gene Yeazell, hospital Administrator and Dr. John Bennan, a member of the medical staff.

Thomas C. Roberts, Potentate, Medinah Temple and Vice-Chairman of the Board of Governors, presented a review of the organization of the Board, its function and the important contribution made to the hospital by members of the Board.

The successful Seminar was closed by Chairman Green who explained the importance of its hospitals to Shrinedom and solicited each Temple's continued support in the coming years.

Temples represented at the meeting were Medinah, Tebala, Moslem, Mohammed, Elf Khurafeh, Murat, Al Koran, Saladin, Zenobia and Orak.

Comments from a Recreational Therapy Summer Student

By DEARRA R. HARDING
Field Work Student—University of Iowa

I arrived at the Chicago Unit, Shriners Hospitals for Crippled Children, in June for nine weeks of study, tests and periodic evaluations. As a field work student from the University of Iowa I was to gain experience in such areas as recreation program, organization, supervision, administration and instruction.

I have been preparing academically for these subjects during the past four years but I soon realized that I was learning many things that were not easily memorized from lists or read in my text books.

I had never seen the hospital prior to my interview and expected an organization equal to the name that the Shriners Hospitals have gained. I was very pleased to find that I would be studying in a smaller hospital. I was very happy at how quickly I was made to feel at ease and accepted by the staff. This was an advantage that would not have been possible at a larger hospital.

The children were just as friendly and accepting. I found that being a "play lady" was not all play. Planning an activity that all the children could participate in was a constant challenge. With the variety of abilities

FROM OUR HOSPITAL

(Continued from page 26)

the program had to be very flexible. Outside entertainment such as a visit from Winnie the Pooh and the Lincoln Park Traveling Zoo gave the children special days to look forward to and enjoy. But the "long days" between special programs and visits were the most crucial. The recreation program is the only rest from the medical and ward routines that the children have.

During activities I learned that the children understand and help each other willingly and are always ready with words of encouragement. I also became more aware of the fact that these children have the normal wants and desires of any "normal" child of the same age and should be respected and treated accordingly. As I spent more time with the children I realized that I could learn much from them, for they had a lot to teach. They were prime examples for observing patience, understanding, self-discipline and life. These children were full of life in the fullest sense of the word.

Thanks to the staff and children of this hospital, my experience has been a successful one. I am thankful for the opportunity I had to work with the staff of the hospital in fulfilling their objective of making children happy, for when a child is happy and smiling . . .

Christmas Every Day

By DEBORAH NELSON
Recreational Director

How would you like to be Santa Claus for a child every day of the year? This is very possible to do, for the children at Shriners Hospital for Crippled Children receive gifts throughout the year when they come into the hospital. These gifts are usually donated by Christmas time, and those not given as Christmas gifts are used as admission, surgery, discharge and birthday presents the rest of the year.

The gifts of the past have been very nice and useful and helped to make the children's stay in the hospital more pleasant. However, the supply of some of the more popular gifts has been depleted and there is a great need for new items to continue to make our children happy—especially our older patients. Following is a list of new articles that would help to make a child happy or bring a smile to a child after surgery.

1. Autograph books
2. Playing cards
3. Plastic model kits (ships, cars, planes)
4. Small stuffed toys
5. Books for ages 12-15 (boys and girls)
6. Barbie dolls
7. Miniature Tonka toys
8. Stationery

Any donations of toys to our hospital would certainly be appreciated and would continue to make our children happy 12 months a year.

A SHRINER'S JOY

He was just a crippled newsboy
Selling papers on the street
There was pain in every feature
As he dragged his crippled feet.
They took him to a hospital
That the Shriners do maintain,
For just such crippled children
Who are twisted, bent or lame.
And they cured this stricken youngster,
Now a strong and healthy boy
Who can face the world expectantly,
And its pleasures now enjoy.
There are thousands of such cases,
Cripples mended every day
Into useful future citizens
Who can work, produce and play.
I have a sense of pride and joy
Just to think my yearly bit
Has helped some crippled youngster
To be healthy, strong and fit.
To cure the suffering in this world,
No one person has the time
But united we can do our share
As members of the Shrine.

NEWS FROM ILLINOIS MASONIC MEDICAL CENTER

Youthful Philanthropist Contributes to Illinois Masonic Medical Center Challenge Fund

In a complete reversal of his usual role, philanthropist and IMMC Trustee, W. Clement Stone, 33°, was on the receiving end when a ten year old Chicago boy, John David Pembor, personally presented him with $1.25. It was the youthful donor's contribution toward the current drive of Illinois Masonic Medical Center to raise $753,000 to meet the Stone Challenge Grant of $500,000. The total sum will go toward equipping and furnishing the nearly completed W. Clement Stone Pavilion for the Health Sciences.

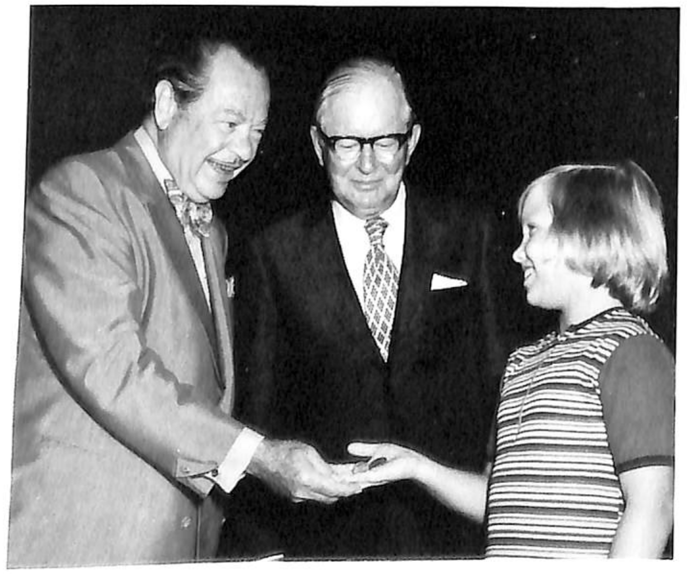
Mr. Stone, whose gift of $4,000,000 made the new ambulatory care Pavilion a possibility, was happy to receive the young fellow philanthropist's five quarters, which were squeezed out of John's allowance of 50 cents a week. As reported in the Chicago Tribune (September 7), Stone accepted the $1.25 "as though it were $125 million."

After the money had changed hands, Mr. Stone, with Warren N. Barr, Sr., 33°, President of the Board of Trustees, and Gerald W. Mungerson, Executive Director of the Medical Center, gave the young benefactor a personally conducted tour of the new facility.

The ten year old learned first hand of the Medical Center's fund drive when his mother, Mrs. Darlene Pembor, was temporarily employed helping get out the "Christmas in July" brochure appeal that went by mail to Masons everywhere and to all friends of Illinois Masonic. John was touched by the Center's need, but he does not have a checking account. He wanted to give his money to *someone* in person.

Brother Stone was delighted to play a part in the financial transaction and to shake the hand of a fellow contributor to Illinois Masonic's growth.

When philanthropists meet . . . W. Clement Stone, 33°, (left) who gave Illinois Masonic Medical Center the $4 million that made the new Stone Pavilion possible, receives $1.25 toward the Challenge Grant that will equip and furnish it. His fellow donor to a good cause is 10 year old John David Pembor, right, who gave up two and a half week's allowance. A delighted spectator at this unusual transaction is Warren N. Barr, Sr., 33°, President of Illinois Masonic's Board of Trustees.



Webster Named Member of Board of Trustees

Dr. Charles W. Webster, of Wilmette (Illinois) Lodge 931; the Scottish Rite, Valley of Chicago; York Rite Bodies of Evanston, and the Red Cross of Constantine, has been named a member of Illinois Masonic Medical Center's Board of Trustees.

Dr. Charles W. Webster

Dr. Webster is Executive Director of the James W. Kemper Foundation. In this post, which he has held since 1963, he is responsible for the administration of the Scholarship and Fellowship programs of the Foundation in the United States, Canada and Brazil. He has been a member of the Educational Committee at Illinois Masonic since 1969.

Currently a task force is working on the most minutely detailed plans for moving seven of the Medical Center's most vital departments from the present facility to the new Stone Pavilion for the Health Sciences.

Surgery, Pathology, Radiology, Pharmacy, Central Supply, Anesthesia and Nursing are scheduled to be evacuated from their old areas in the present hospital structure and moved into vastly more spacious new quarters in the Pavilion. Currently precise move procedures are being worked out and staff is being oriented. Studies to determine what old equipment will be retained and what new equipment and furnishings must be installed are already completed.

Since lights are never dimmed in such a vast Medical Center as Illinois Masonic, all departments involved will, in the great tradition of service to the sick, be fully operational before, during and immediately following their moves. Most of the move, a milestone in Illinois Masonic's history, will be completed between December 1 and December 14.

WORLD'S OLDEST LODGE

Lodge of Edinburgh, No. 1, sometimes known as Mary's Chapel, is believed to be the Lodge with the oldest records in the world.

Tradition says this Lodge was formed by skilled craftsmen brought from the continent by King David I to build Holyrood Abbey in 1128.

Its oldest minutes are dated the last day of July, 1599, but at that time the lodge was in a flourishing condition and a growing concern.

There is in existence a list of the Apprentices of the Lodge with the names of their fathers and mothers, dated 23rd December, 1574.

The Masons who composed the Lodge at that time were incorporated in a society known as "The Freemasons and Wrights of Edinburgh."

From the earliest time it was the custom to admit non-operative as well as operative members.

NEWS OF MEDINAH'S UNITS

Our congratulations to Major **William L. Nelson,** who recently served as Parade Marshal at the Lions International Convention held in Mexico City. **Bill** and his wife, Violet, attended the convention for two weeks. The parade was four hours in length and was said to be one of the most beautiful ever held in Mexico City. Bill has been Parade Marshal for Lions International Conventions since 1953. He is a Past President of the Chicago (Lakeview) Lions Club and is a Lions Past Deputy District Governor.

Our congratulations to **Joe M. Schudera** on his recent marriage to the former Belva Kelly. Lots of luck to the newlyweds.

Our congratulations to Adjutant **George Ochanpaugh,** whose daughter, Mrs. William Brens, recently presented him with a granddaughter, Christine Marie. We're happy that you are now a grandfather, George, and keep up the good work.

Our congratulations to Skipper **Don Charlton,** and to Quartermaster **Ben White,** upon their celebrating wedding anniversaries. For Don and Virginia it was their 38th wedding anniversary and for Ben and Elaine, it was their 39th.

Our best wishes to Lillian Bader, wife of our Executive Officer, **Bill Bader,** who has returned home recently from Great Lakes Naval Hospital. Lil has suffered from a back condition.

The first annual Military Unit Picnic was held on August 20 at the home of **Henry L. (Bud) Macier** in Gurnee, Illinois. It was a huge success thanks to **Bud** and **Leone Macier, Earl** and **Betty Rosenthal** and **Doran** and **Harriet Jewett.** Special guests were **Ray Giesel** and Marge. Ray is our immediate Past Commander, and present Oriental Guide. Many games, sporting events, and contests, and much in the way of good refreshments were enjoyed by all.

Member **Orville E. Pyle** and his wife, Bessie, just returned from a tour of the Holy Land. They visited in Greece, Egypt, Lebanon, and in Israel. They took around 500 pictures and accumulated about 14 hours of tape recording. To quote Orville, "Masonically speaking, I have walked on the side of Solomon's Temple, and have seen the land of Lebanon whence came the cedars for the Temple." Sounds like a magnificant trip.

Don Charlton asks that we all save Saturday, December 2, 1972, as it is the Salvation Army's Kettle Day. Don has again been appointed Chairman of the Day. He has appointed our Executive Officer, **Bill Bader,** as Vice-Chairman, along with **Allan D. Parsons, Harold C. Peterson,** and **Olaf Engstrom,** of the Medinah Press Corps, who are also appointed Vice-Chairmen of the Salvation Army's Kettle Day.

Twenty-two Military Unit members participated in the festivities at the 23rd annual Midwest Shrine Football game held in Milwaukee County Stadium on Sunday, August 27th. Our efforts were in vain, however, since the Bears lost to the Green Bay Packers.

The Labor Day Parade in Zion, Illinois was well attended by our Military Unit. Twenty-eight Unit members were present.

Frank Siggeman, our Unit's number one 'Cub Fan" recently went from the convention in Dallas, Texas to Houston, Texas to watch the Cubs play the Houston Astros. He then attended the Fleet Reserve Association Convention in Cleveland, Ohio, early in August. Frank informs us that **Frederick B. Walker,** an honorary member of our Unit, went to Boston, Massachusetts in September to receive his 33rd degree in Masonry, and also to visit his family and his Clubs. Fred is a retired Navy C.W.O. who has been hospitalized for over two years. He presently is in Building 126 in Downey Veterans Hospital, Great Lakes, Illinois. Fred would love to receive a card from his friends. And our congratulations on his achieving his 33rd degree.

Eighteen members of our Military Unit participated in the recent 6th annual Shrine benefit game of Lake County Shrine Club and the Chain O'Lakes Shrine Club. The game was held in Mundelein and featured the Lake County Rifles vs The Sheboygan Red Wings. **Henry E. (Bud) Macier** is a Director and a President's Aide, and **Stevan Petrov** is a Second Vice-President of the Chain O'Lakes Shrine Club.

Ben White, our Unit Quartermaster, has recently been "batching" it, while his wife, Elaine, visited in Robinson, Illinois where she recently lost an uncle.

Earl A. Rosenthal and wife, Betty, has returned from a vacation trip to New Jersey, and **Joe Martin** recently spent time in Texas, where he picked up his mother, and then on to California to visit relatives out West.

Our congratulations and a "Welcome aboard" to new members: **John Anderson** from Waukegan, **Herbert Klammer** from Zion, **George Nelson** from Lake Villa, **Dick Drake** from Park Ridge, and **John Thompson** from Chicago. A hearty welcome to you all.

Our Fall Ceremonial takes place on Saturday, November 18th. Our Commander **Don Charlton,** asks that we all be in attendance for the Fall Ceremonial. Get those petitions signed.

Send all of your Military Unit news to me at 7233 W. Lunt, Chicago, Ill. 60631.

The Zion parade is the climax of the town's annual Jubilee Days celebration. A record breaking crowd thronged the streets this year to enjoy the festivities. What Shrine Clubs Are Doing

West Suburban

Finally, with two postponements due to rain, we got the Polo Match under way and had a very successful afternoon. Unfortunately, our own Noble, Governor **Richard Ogilvie,** was in Miami attending the Republican Convention but the show went on without him. Our Potentate, **Tom Roberts** and three of his Divan were present, who with **Paul Butler,** rode in the short parade. The Thieves had their float, with **Bill Lilly** doing his oriental dance, the Red Fez Limited tooted around the field and the Highlanders piped during the parade and between the halves. The Black Horse Troop was unable to be present due to a previous commitment.

Several Ladies Nites are coming up, some of which will have taken place by the time this issue is received. However, a big one is Wednesday, October 11, at the Peacock Room, CSA Building, when **Floyd Kalber,** the NBC newscaster, will be the speaker. Ladies and friends are invited. Social period at 6:00 p.m., dinner at 7:00. November 8th is also a Ladies Nite. Our Xmas Party will be held this year at the Sheraton-Oakbrook Hotel on December 1st. Reservations are a must.

To all delinquent members of WSSC—if you have not paid your dues you are a good subject for being dropped from membership. Take due notice thereof, etc.

We are always after new members in WSSC. If you know of any prospects, bring them to a meeting and let's get acquainted. We are holding our own in spite of the "Three D's" but feel the need of new faces. Also, don't forget to get at least one candidate for the Fall Ceremonial at Medinah. Our Potentate would like to make this a record year and if only half the membership comes through with a petition, we'll have it made. Go to your Lodge and see if you can't find at least one member who would like to join the Shrine. Incidentally, the York Rite is also in need of members, so a prospect could go the York-Medinah route very easily. **Al Koch** is the man to see for York Rite Petitions—he will also get them in WSSC.

EARL D. EMERY

Northwest

Our "Nite at the Races" was a big success again this year. Over 300 people enjoyed the smörgåsbord and the races that followed.

Northwest Shrine Club has had a busy Summer. They had their picnic at Wooster Lake on July 8th. Over 400 people were there to partake of food, fun, and fellowship.

The next big picnic was Medinah's at Holiday Park on July 29th. We again had a very large turn out and enjoyed Medinah's hospitality.

On August 4th we had a dinner-dance at Lidos. N.W.S.C. members and their guests danced until after 12:30 a.m. We scheduled our Golf Outing at River Forest Country Club on September 18th. Upcoming events include a Theatre Party in October. For further information call **Gordon MaRugg** PE-6-5522.

The Genies were happy to welcome two members to their fleet of Flying Carpets, **Ronald LeJeune** and **James Stables.**

Our good wishes go to **Harold Paul** on his move to California. Harold is former Commander of the Mini-Bikes and Past President of Northwest Shrine Club.

By the time you read this, our Las Vegas Night will be over, so our Officers want to thank the Nobles who worked, secured gifts, sold tickets, etc. to make this night a success. Without you we could never succeed!

Just in case you are looking for something to do now that summer is over, mark these dates on your calendar. Don't make any other arrangements for these dates; keep them for NWSSC: November 14th. I hear Noble **Clark** has a wonderful evening planned for this meeting; can't tell you what it is but I think it might be a visitor from the Bears?? Next date: December 16th, Christmas Party at the Maitre d'. If you weren't at the last one you really missed something! No doubt our President **Don Engleson** has a few surprises "up his sleeve" so don't miss this one. January 16, 1973 will be our Installation of Officers at the Maitre d'. Our programs are designed to please. Let us have your ideas for future activities. The Official Visit for 1973 will be May 4th.

Did You Know That—

Bill Rose is a candidate for the office of State Senator of the Third Legislative District?

Clifford Leverence is a candidate for the office of State Senator of the Second Legislative District?

Ralph Strum's wife, Elaine, was installed as Supreme Third Messenger of the International Order of Job's Daughters in Anaheim, California in August?

Fred Barth has advanced to Generalissimo in Chicago Commandery No. 19 K. T.?

Charles Neumann has three more years until he is the R. E. Grand Commander of the Grand Commandery of Illinois?

We extend our deepest sympathy to **"Doc" Neumann** and his family on the loss of his wife, Henrietta.

Do we need new members? We sure do—doesn't any club?? Have you brought one in lately?

Please let us hear from you—for news I pine.

ARTHUR E. SHERDEN

Skokie Valley

Skokie Valley Shrine Club was well represented at the Imperial Session at Dallas. With members in the various Units, it seemed that whenever you turned around you met someone from Skokie Valley Shrine Club.

One of our members, **Lou Baker,** who is a member of the Brass Band, has completed 52 consecutive parades in the Imperial Sessions, what an enviable record!

Our Chaplain, **Robert Hubbard,** had a birthday in August. There were many who helped him celebrate.

The 1972 Potentate's Pilgrimage to Greece will be attended by many members of Skokie Valley Shrine Club. Potentate **Thomas C. Roberts** has arranged a fantastic trip. More about that when "Yours Truly" returns from Greece.

November 3rd is a very important date. On this date, we are having our Ladies' Night party and also the Official Visit of Potentate **Thomas C. Roberts** and his Divan. It will be held at the Fontana D' Or. There will be tables of ten. Why not get a group together and reserve a table?

(Continued from page 32)

PRESS

The Press Corps, headed by Director **Harold Peterson, Allan Parsons,** Editor, **Earl Emery,** Secretary, **Harold Shanafield,** Treasurer, (we needed him) and joined by **Ole Engstrom,** Chief Photographer, **Chuck Burge, Cliff Leverence, Tony Cutaia, Gil Dayton, Morrie Cord, Marv Dee, John Jutkins, John Kaderka,** and **Al Rieman** was acclaimed the finest Press Unit in Shrinedom.

When **Hal Peterson** and **Allan Parsons** went on stage to receive the trophy for first place in the magazine competition, along with four photographers taking pictures, and six of us, sitting in the front row we were told, "No wonder you took first, with a huge outfit you have."

We are proud and we are happy. Believe it or not, we are also modest. Just because we are No. 1 we are not going to sit on our "laurels." The members of Medinah Temple will continue to enjoy our publication.

This year we had a hospitality room at the Hilton Inn where we were housed. **John Kaderka** did such a fine job as steward he is willing to hire out for similar occasions. The only casualty was **Al Rieman,** who cut his finger on an empty can, got it dressed in the medical room and had the doctor kiss it to make it well.

At our final meeting after the night parade, **Cliff Leverance** passed out awards for the week with some appropriate remarks. **Ole Engstrom** received a clothes brush for "The best brush-off at midnight award." **Chuck Burge** received a clock bank as "The Big Spender." **Harold Shanafield** also received a clock bank as "The Money Watcher." **Morrie Cord** was given a dart game for his "Personality." **Earl Emery** and **Gil Dayton,** who were with the Imperial Press for the week were presented with "The Gold Brick Award." Cliff said the boys had a rough time finding a couple of bricks and finally had to hit a building with their car in order to get them. Everyone who came to the room signed the bricks, which will be mounted. **Allan Parsons** was given a clown pencil for the "Left to Right" award. The "Most Easy to Get Along With" award went to **Mike Mitchell** while **Hal Peterson** was given a toy truck for his "Paper Route." Hal furnished us with Tribunes each morning, which kept us up to date on the home news. **Marv Dee** is now known as "Our Sheriff" because of the badge with which he was presented and **John Kaderka** received a butcher's apron, signed by all those present, labeled "Our Boy."

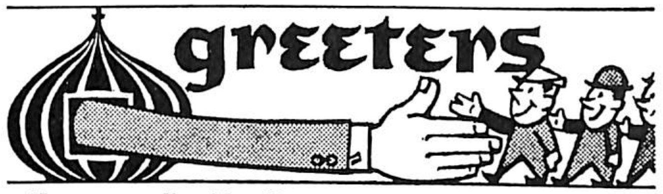
Everyone did the job to which he was assigned and did it well—look through the last issue and you can see for yourself.

Incidentally, **Marv Dee,** who had a car assigned to him from the car pool, as did **Cliff Leverence, Earl Emery** and **Gil Dayton,** found out that the cops in Dallas don't know him, or want to know him. He inadvertently (?) left the car at 5 P.M., during the rush hour, in the street blocking the driveway to the Statler-Hilton Hotel. The police took a dim view of this procedure and towed the car away. When Marv was informed of the dastardly deed, he hit the ceiling so hard there still is a dent. The motor pool boys finally convinced the Chief that Marv was just one of those Chicagoans who didn't know any better and it was released in his custody again.

One thing we noticed in Texas was that, for a fee, anyone could have any six letters on their license plate. The best one we saw was titled "YAH YAH."

The White Sox-Kansas City double header, sponsored by Medinah Temple for the benefit of the Crippled Childrens Hospital, was well covered by the Press Corps, the photographers being very much in evidence. The Press Corps purchased their share of tickets and saw that nearly all their seats were filled by spectators.

EARL EMERY



Yes, we realize it's all over, but that Imperial Session was something. We were really some cowboys while down in Dallas. It was nice that our Illustrious Potentate had such a big party on July 17th for all of Medinah—of course, Greeter **Chuck Ferre** thought it was just for his birthday. How about that ride home from the Barbecue and Rodeo? On our bus we had a certain Greeter who commanded the bus driver to a gas station for a pit stop or whatever you call it. Also we have a Greeter and his initials are **Jack Niblett** who will use the restaurant's P.A. system to make announcements. **Verne Moffett** and his wife, Bea, sure have a wonderful son in Dallas who knew all the good eating places. **Mike Marecek, Erv Graf, Bill Henderson** and **Glen Fornell** were our Bachelors at the convention this year. **Fred Warner** and his wife, June, **Herb Peterson** and his wife, Georgene, and **Andy** and Kay **Kerekes** were always in the pool as were Marge Zwerg and Evelyn Ferre. **Harold Zwerg** and yours truly were busy taking pictures. The quiet ones, **Walter Hedin** and his wife, Charolette, along with Lorraine Niblett were our official morale supporters. After all that we departed, and while on the return flight, **Chuck Ferre** was lucky enough to share a prize on guessing the total age of the crew.

We joined eight other Greeters and their families at Medinah's Big Picnic and once again fun was had by all.

Our Ladies Party was the next big event and 91% of our members were in attendance. What a nice start for our Ladies Party with our Chairman **Arnold Sund's** name up on the marquee of Lake Tower Inn. Everybody driving along the outer drive had to notice this sign; at least **William DeVry** did and stopped to see what the occasion was. **William Henderson** and his wife, Grace, celebrated their 32nd Anniversary at our Ladies Party. **Glen Fornell** and his wife, Alice, were celebrating their 50th Anniversary. Well we really were all celebrating a very nice Ladies Party. We missed **Erv Graf** and his wife, Dorothy. Noble Erv was in the Hospital at the time, and how about that small get well card that the whole party sent Erv? **William Trubeck** did a fine job on the horn with the nice trio we had for dancing. For proof of a merry time see our pictures elsewhere in this magazine.

Now that we all have had fun playing, let's not forget those petitions for our Fall Ceremonial, November 18th. This, of course, is our big event and without this, there would be no other events. How many petitions do you have?

NEWS OF MEDINAH'S UNITS . . .

(Continued from page 36)

The Chanters were overjoyed in winning first place—and the permanent possession of the Harry Stonewall Walsh Trophy—in the International competition of the Shrine Chanters Association of North America, which is dedicated to the service of Shrinedom through song. It was very rewarding to our great director, **John Carlson,** and accompanist **Andre Butenschoen,** both of whom worked especially hard to get us Chanters to sing the songs professionally.

No doubt our new, elegant uniforms helped us win first place! This was the Chanter's first new uniform in ten years, and we wish to thank Illustrious Potentate **Tom Roberts** and his Divan for their generosity.

Congratulations to Editor **Allan Parsons** and his Medinah Magazine staff for winning 1st place in the International Publication Contest, Class A. We think it's the finest magazine published anywhere.

One of the highlights in the Imperial parade was the Chanters' Golden Float pulled by a Mack Tractor, gift of **Zenon Hansen,** President of Mack Trucks, of Allentown, Pa. We appreciate the efforts of our Illustrious Potentate, **Thomas Roberts,** and his Divan who have been so generous in having our float renovated and transported to Dallas for the convention. We appreciate, also, the help of **Lester Cordray** of the Frank Cordray Motor Service, Inc., in storing and repairing our float.

At the Shrine Chanters Association banquet in Dallas, our director, **John Carlson,** sang the Lord's Prayer. His singing is inspiring. At the business meeting of SCAONA, **Nels Holgate** was reelected Treasurer and **Chester Mathison** was elected to the Board of Directors.

Director John Carlson is holding special rehearsals in preparation for the taping and recording sessions for the NBC in connection with the celebration of the Centennial of Shrinedom founded in New York City. The program was scheduled on Channel 5 Sunday morning, September 24th.

The Chanters have been busy this summer participating in various activities, including the Greek Independence Day Parade; the Shrine Sox Baseball game at which Director John Carlson sang the Star Spangled Banner, and was loudly applauded for his great rendition of our national anthem; the Lake County Shrine Football game; the Midwest Shrine Football game in Milwaukee; and the annual appearance at Mooseheart. The Chanter quartet consisting of **Paul Amundsen, George Dye, James Rogers,** and **Elmer Thompson,** sang at the Oak Park Assembly, No. 20, Order of the Rainbow Girls.

We were pleased to see the full page of pictures in the July-August Medinah magazine covering the Chanters' Ladies party, at which our Illustrious Potentate's lovely wife, Alice, was honored. The diligent and hard work of **Fred Edlund** and his committee made the party most successful.

The sudden passing of **Hugh Gillon** brought sadness to the Chanters, as he appeared to be in good health during the Dallas convention. Our deepest sympathy to his family. We extend sympathy to **Elwood** and Violet **Johnson,** on the passing of her brother, Rudolph Christensen; and also to **Steeg Kindberg** on the passing of his mother.

Chanters who were hospitalized, and who have now recovered are: **Andre Butenschoen** and **Glen Griffith,** our sound man on the Chanter float, who became ill in Dallas and was flown back for an operation. **Chester and Mildred Hills** drove back with Glen's wife, Phyllis, while Glen was flown back. **John Hansen's** wife, Edith, is recovering; and so is **Frank Quinnell. Bill Ammons'** wife, Lucille, hospitalized because of a fracture; **Warren Johnson** hospitalized because of a mild stroke; and **Charlie Schulz'** wife, Evelyn, is home after surgery.

This summer the writer has been hospitalized and subject to severe surgery which prevented him from participating in the activities of the Chanters. A special "thank you" is expressed for the many get well cards and telephone inquiries.

Paul Magee, who recently retired to Kennesaw, Georgia, has joined the Chanters of Yaarab Temple. We expect to see him at next year's convention in Atlanta. At this time we hope to see some of the other Medinah Chanters who retired to the South; **Ed** and **Irene Grieshaber; Ben** and **Grace Mogni.**

Five Chanter couples: **Paul** and **Ruth Amundsen, Bob** and **Adeline Boyajian. George** and **Peggy Dye, Nels** and **Florence Holgate,** and **Chester** and **Charlotte Mathison,** spent Labor Day weekend at Silver Lake, Michigan, with Dr. Lawrence Zoerner, Director of the Shrine Chanters Association of North America, to discuss future plans of the Association.

Keep in mind the Brass Band and Chanter Concert to be held Sunday, October 29th, at Medinah Temple.

Conflicting dates of publication and our September 8th Ladies Nite and OV of Potentate **Roberts** and his Divan may postpone our report with photographic coverage until the next issue.

Condolences to the widow and family of recently deceased member of our Board of Governors, **Henry E. Bretz,** a just and upright Mason and Noble.

Treasurer **Richard E. Poulton** reported at our August 11th meeting that in the final accounting of ticket sales for the July 27, '72 Sox Twi-Niter our group's efforts will indicate that we tried to do a job for Mighty Medinah.

Thank you, **Robert J. Kopp** for a job well done with the preparation of the flyer, publicizing our September 8th Ladies Nite and OV, mailed to all members, Medinah Units and Shrine Clubs. And, special thanks to the young lady on your business staff, who did so well with the art work.

A number of us are members of The Star Craft Club of Illinois, which has about 1,400 members. To this fine Masonic organization, we extend our appreciation for the courtesy and cooperation provided us with the publicity of our September 8th affair, appearing in the official organ, "The Review." Thank you very much, **Anthony J. Cutaia,** of Medinah's Press Corps, who is Editor-in-Chief of The Review, for reproducing our letter of invitation to all Star Crafters and for your commendable remarks about Past Masters . . . "who leads his Lodge and after traveling a rough and rugged road, he is retired to the elite group of those known as Past Masters of AF & AM of the Grand Lodge of Illinois."

(Continued from page 38)

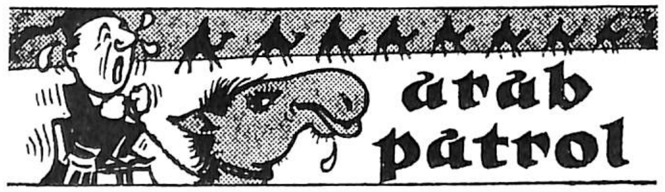
The Radio Unit's equipment was assembled in the lobby of the Hilton Inn during the Imperial Session in Dallas. Many Nobles spoke on the amateur radio wave lengths for the first time. We also entertained the local amateurs who came to see our station equipment.

We enjoyed the show at the first annual Ladies nite and Past Masters Official Visit.

Find something worthwhile to do. Without action no one is much. Do you have a friend with similar interests? Plan to study together at home for your Amateur examination or attend the classes arranged for you.

Regular code and theory classes are conducted by the C.S.R.A. Club each Friday at 7:00 P.M. at the Berwyn Presbyterian Church at 32nd Street and Clinton Avenue, Berwyn, Illinois. You are cordially invited to join us.

JOSEPH F. HARANT



By the time that you read this, Medinah's Arab Patrol will have resumed Drill after a two month vacation. The highlight of our vacation, was the Imperial Session in Dallas, Ft. Worth. Thanks to the planning committee for a well organized pilgrimage. Tickets, baggage handling, planes, boarding and buses were all handled most efficiently.

They marched into town and they marched out again —and Major "Wally's" contingent of proud Arab Patrol Nobles brought home a beautiful second place trophy for doing 'their thing' in the Day Parade in Dallas. It was a close finish; Medinah's Arab Patrol missed being judged first by only one-tenth of one percentage point. It is a great accomplishment in Major Egebergh's first year at the head of one of Medinah's finest.

Captain **Bruce Bailey,** of Company "D," put his forces on the line against twelve of Shrinedom's best competitive drill participants, and mised bringing home 'the bacon' by only a couple of percentage points. Captain Bailey says, "Thanks not only to the members of Company 'D,' but also to those members of Company 'C' for their help."

Possibly by the time you read this, the Eleventh Annual Medinah Arab Patrol Fellowship night will be history. Your allotment of tickets should all be sold, and this annual function will again be a complete success.

The Midwest Shrine Football game on a Sunday night in Milwaukee, Wisconsin was a tough assignment. We were late getting home and had to get to work Monday morning. These obstacles however, didn't prevent 40 percent of the Battalion from performing before a National TV audience, in the pre-game and half-time ceremonies.

The Arab Patrol, as usual, played a big part in the success of the White Sox Ball game, which benefited the Shrine Crippled Children's Hospital by over $8,000.

An enjoyable mid-summer luau was held at poolside of the Brookeridge Country Club. Attending were Major **Wally Egebergh** and Marion; Captain Adjutant **Bill Unwin** and Dorothy; Captain **Hugh Meikle** and Bea; Major Emeritus **Carl Anderson** and Hazel; members of Company "B" and Company "C" and their ladies. During the evening, an engraved scimitar was presented to **Bill Unwin,** former Captain of Company "A," in recognition of his 33 years of service to the Patrol.

Our sincere sympathy to **Wally Marbach** and his family, on the death of his father.

With vacations out of the way, we are settling down to work. Company "A" will be sharpening up for the drill during the Fall Ceremonial.

The **Wayne Knudson** household has returned to normal. The children were visiting grandmother while Carolyn was taking some teacher instruction courses aboard a floating school ship, which visited many ports of the world and ended in Japan.

Mark your calendar, and reserve Saturday, December 2 for Company "D's" Christmas Party. This should be a hilarious, entertaining, enjoyable fun filled evening. The place hasn't been revealed as yet.

We congratulate **Stan Sharman** on his recent retirement (sick leave). He says he has more time for his job as Secretary of his Lodge, and also Editor of their paper.

At Du Page Chapter's Awards Day, on August 6th, the DeMolay Committee presented the Chevalier Degree to Mark Fisher and James M. Johnson. The Chevalier Degree is one of the highest honors an active DeMolay can receive. He may not apply for the honor himself. Upon the recommendation of the Advisory Council of his Chapter, in secret, he may be nominated by the Executive Officer of the State. The unanimous vote of the Supreme Council in regular session is required to elect a nominee to receive the Degree of Chevalier.

The following members of the DeMolay Committee conferred the Chevalier Degree: **Raymond DeGroote, Jr.,** Grand Commander; **Lee Bradley,** Commander in the South; **Robert Barber,** Commander in the West; **Robert Miller,** Grand Chaplain; and **Tim Cornell,** Grand Marshal. Proud father, **Raymond M. Johnson,** watched the proceedings.

In another part of the ceremonies, **Walter E. Bischoff,** Chief Rabban, invested **William L. Backus,** Past Potentate, with the Honorary Legion of Honor of the Order of DeMolay. Bill has long been a truly great friend of DeMolay and, of course, the DeMolay Committee of Medinah Temple. We know that Bill will wear the white cords with dignity and honor. Also, **Thomas Metcalf,** Master Councilor of DuPage Chapter, honored **Raymond E. Giesel,** Oriental Guide, with a presentation of the DeMolay "Hats Off" Award. After careful screening, we announce the appointment of five new members to our Committee. They are: **Joseph Peterson,** far North; **Alex Moorad,** North; **Donald B. McAfee,** West; **George Lotzgesell,** South; and **Bill Rieck,** far South.

Again, this year, the Committee will handle the sale of the 2600, 2nd balcony seats for the Ice Follies with the assistance of the youth groups.

oriental band

Yimeny Christmas—the Fall season is upon us—yes, and Christmas is coming. September 8th saw our first session since we broke for the trip to Dallas. In case you hadn't heard, the Imperial Session was a big, beautiful ball. Lovely rooms by the Oasis pool.

Swami **Schofield,** our surprise companion and interim director, (while Mort took "time out" for ???).

Several of our Arabs had occasion to experience the "real" Texas handshake.

Grand Vizier **Mort** came very close to making a "solo" parade in Fort Worth. The band very nearly **didn't** make it.

Shrine baseball night at Sox Park was the first time the band ever "played" on Astro Turf.

To give our column an International flavor we report on the latest activities of a man who is a tax expert, PR specialist and photographer—our own **Steve Huziany!** Steve baby and Mrs. Steve (Margaret) planned to fly to Vienna, Austria in late September and be headquartered at Babolna, Hungary, as guests of the Corn Production System operating in Hungary. Seems that Steve's familiar photo albums made a tremendous hit (he's made 10 so far for his hosts). Steve and Marg will dress in work clothes while helping to set up procedures to help increase productiveness. They were born in Hungary and haven't been back since they were kids. Imagine the fun of visiting with relatives and old friends in 'old, familiar places.'

Medinah's picnic was a big, **hot** success. Our own impresario, Deacon **Joseph** led the many dishabille arabs in some good "tootling" for the benefit of the assembled Shriners. That old Wisconsin fisherman, **Cliff Lawton,** and Selma came to the picnic from their hideout in Lodi. Ya' never looked better Cliff. Friar **Muzz** stalked around the oasis sporting the latest item designed for our "relief" in the parades in Atlanta in '73. It's adjustable to fit; ask him about it.

There are 10 Birthdays this time. **Hugh Willis, Konnie Groeschell, Jorge Larsen,** and **Hank Schaeffer** in September. Twins **Eddie Kuhns** and **Hal Little, Bob Pattison, Bill Kitterman, Irv Nicklas** and **Jim Rowe** in October.

Don Meckstroth and Marian M. were the proud and happy parents at the wedding August 12 of their daughter Gail to Richard Schnaedter. They really had Papa Don all gussied up in ruffles and all. Congratulations to Don and Marian and our very best to the newlyweds.

Unfortunately, late Summer has been hard on the Band. Our list of sick and disabled Berbers and their Ladies has reached big proportions.

Ruth Heisman fell from a tangle of Grandchildren, toys and pets and tumbled down a flight of stairs, breaking a leg in seven places! She's coming along OK but would probably enjoy some cards and calls.

Esther Carrion had a spine operation earlier this summer and is recovering very well at this time.

Cliff (Buck) Freeman is out of the hospital but continues treatments and is beginning to see the light at the end of the tunnel. His lovely girl, Virginia, is also in the hospital, having had to go suddenly—unfortunately, we have no word as to why.

Mel Lindsten spent a week in the hospital for tests to determine the reason for his sudden vertigo. So far no report on what the trouble is, but he **is** back at work.

We wish all these friends the very best and a quick recovery. But the thing we can all do best is send a personal note or card to let those friends know we care and are pulling for their quick recovery. Even a short phone call is often a good "pick-me-up." Please remember!

Herb and **Phyllis Schwoerer** are moving to California soon and the Band will have a "CO-ED" party for them. The date is October 6th. Just think, Herb has been in the band for 40 years. Just think of all the guys he's seen come and go! Remember to give your wife the date so you won't miss the big farewell party—Remember, October 6.

Incidentally, the new Treasurer will be our Swami of the sheckles—**Joe Schreiner!**

May Allah be with you in this hectic world—

"JACKSON"

indians

The Indians and their squaws had a great time at the 98th Imperial Session in Dallas, and extend special thanks to Potentate **Thomas C. Roberts** and the Divan for their efforts in making sure we all enjoyed ourselves.

While at the Imperial Session, **Stan Kozak, Archie Shelton and C. C. "Mac" MacArthur** were given a special treat by "Mac's" nephew, American Airlines Captain Jack MacArthur. Captain Jack conducted them on a personal tour of American Airlines training center at Arlington, Texas.

That big smile on Little Chief **Al Gibbon's** face is due to the arrival of Al and Elaine's first grandson. The new arrival's name is Jeffery Alan Butler. The proud parents are Pat and Kim Butler. This now makes one grandson and one granddaughter. The granddaughter's parents being Albert H. and Linda Gibbon.

That old bug illness is at us again. Drill Chief **Dave Foy** is recuperating at home. Hurry up and get well Dave, we need you back. Big Chief **Merle Clow** is out of the hospital now after eye surgery.

Agnes Seyfferth, wife of **Al Seyfferth** is recovering from surgery at home and at this writing, **Elmer Barkmann's** wife Frances is recovering in the hospital after surgery.

Congratulations are extended to **Al Gibbon** on being initiated into the Royal Order of the Jesters.

Don Reese and wife Joanne are on an extended visit in Greece. Keeper of the Buck and Skin, **Bill Bissen** and wife, Jane, recently returned from a three week vacation in Colorado. While in Colorado they saw former Big Chief **Dr. George Applequist. Russ Knor** and **Bud Smith,** along with wives Jean and Loraine recently returned from a Florida trip. **Dean Halling** and wife, Carol, and their children recently spent a wonderful few days at the new Disney World in Florida.

A foursome made up of **Al Gibbon, Paul Stein, Jr., Bud Smith** and **Bill Wolf** played golf at the Medinah Temple Annual Golf Outing. Even though many golf balls wound up in the water, hit many trees and found their way into sand traps, a bang up time was had by all. Also in attendance were **Bill Sloup, Sr.** and **Ed Matter.**

Henry Burmeister reminds us that the trouble with being retired is that he gets no vacation.

black horse troop

It certainly was a short and busy summer for the Medinah Black Horse Troop. **Joe Mathew's** and wife Toni's party after the July 4th Parade in Glen Ellyn was a big success. Toni is a great cook. We also enjoyed taking part in Bridgeview's Silver Anniversary Parade on July 9th. That's Deputy Commander **Ron Morgen's** home town. The Convention in Dallas was much enjoyed by all. The Troop won a 3rd place trophy in Drill Competition against very stiff competition and tough judges. We celebrated at a poolside bash during which a couple of new members just happened to get dunked with their boots on. What a way to go!

Our trip to the Gladiolus Festival Parade in Momence, Ill., on August 12, was enjoyed by all. Labor Day found the Troop in Zion, Ill. It was a fine day for a parade and for the picnic which followed at the home of **Jim Bruski** and his wife, Mary. We all ate and ate because it was so good. **Jim Crum** excelled in water skiing in spite of the choppy water.

The Troop's deepest sympathies are extended to **Frank Kozel** on the loss of his father and to **Frank Miskell** on the loss of his step-father. There will still be many crisp fall Monday nights to come out to Greentree Stables at eight o'clock and watch the Troop go through its paces. You're always welcome. We're always interested in new members.

W. LUHMAN

entertainment committee

The Committee has been saddened through the passing of a long-time member, **Earl Palmer.** His many efforts in supplying cars at Annual Sessions and in other ways will be sadly missed. We express our sympathy to his widow, Jenny.

We also offer our deepest sympathy to **Alex Gianaras** upon the passing of his father.

We were on hand to help make a successful convention in Dallas. Nobles **Hopkins** and **Sanderson** handled the housing. Nobles **Divisek, Fenton, Cleland** and **Watkins** were in charge of other functions. At two of these some sort of a record was set. These latter four Nobles ran the breakfast for marching Units and everyone was seated and served in thirty-six minutes. Again, before the evening parade, dinner was served to the Units in fifty-two minutes. It goes to show what can be accomplished with planning and cooperation.

Watkins and Cleland assisted the Transportation Committee in checking out the homeward bound buses. Owing to the late arrival of one plane, the unscheduled party supplied by Eastern Air Lines at Arlington, Texas was quite an affair.

A day of fun and golf was enjoyed by all at the Michiana Shores home of Noble **Lipschultz.** Everyone is indeed grateful to both he and his wife, Billie, for their wonderful hospitality.

W. J. F. CLELAND

marshal's staff

Our congratulations to **Art Sherden** who received the Chevalier Degree from the Order of the DeMolay. In August, Art and Doris Sherden attended the Supreme Convention of the I. O. J. D. in Anaheim, California. Youth organizations have gained much from the efforts of this devoted couple.

Chuck and **Ruth Ingersoll** visited their many friends while in Dallas. Chuck, a former Marshal's Aide, is a Greeter for Ballut Abyad Temple, Albuquerque.

Our heartfelt sympathy is extended to **Gerry Jedlicka** and her family in the loss of her Dad, Austin Ford. Austin was a former Assistant Marshal before his illness confined him to a hospital and home.

Bob and **Norma Vanek** enjoyed a vacation in Florida. **Walter** and **Trudy Hollatz** were in California. **Tom** and **Peggy Fallbacher** drove to Colorado. **Ed** and **Sue Sprandel** and family were vacationing in Burlington, Iowa. While there, they met **Ray Schnell. Carl** and **Barbara Ibsen** and family had their camper at Fish Lake for the summer.

Vince Suchy, former Marshal's Aide, sends "regards to all the boys." Due to distance, etc., he is unable to be active with our Staff.

Bill Porter, Adelaide Holub and Pennie Corrin are doing nicely following their hospitalizations. **Art Sherden** had to take it easy as he had a blood clot in his leg. **Tom Fallbacher** was at our Staff picnic after being housebound for a time.

Your PETITIONS for the Fall Ceremonial should be turned over to **Walter Hollatz** or **Ladd Holub** as soon as possible.

Reserve Friday, NOVEMBER 24th, for the Marshal's HAWAIIAN LUAU NIGHT at Ferrara Manor.

GEORGE E. SCHILLO

hospitality

Howdy Podner! That's what the welcome signs all read and what the fine folks of Dallas all said at the Imperial Session. We most certainly had a luxurious trip and accommodations. Our Potentate and his planning committee went all out to see that everyone was happy and comfortable.

If you were not present the night the Oleika Eight-Balls came up to our Hospitality Room and serenaded us in the hall then you just haven't heard Dixie-land music. The whole floor vibrated from the beautiful sounds and echoed for three days afterwards. Isn't it great to have friends and have them ever ready to acknowledge and reveal their appreciation of friendship, too? They stayed with us 'til the early hours and we were surely glad that we had enough food and cold soda pop to round out the evening.

And what about that barbecue and rodeo? They were both terrific—we couldn't have stood it all if we didn't have those cowboy hats and neckerchiefs. Sure, the chow lines were long but Medinah wouldn't have looked natural any other way. We always do things BIG.

(Continued on page 44)

NEWS OF MEDINAH'S UNITS . . .

(Continued from preceding page)

The Medinah Family Picnic was a real fun day and we had those four huge barbecue drums blazing, a fine lunch and a one-and-a-quarter pound aged strip steak for dinner. We may have been the last out of the park but we went home contented and happy.

On September 30 and October 1st, we planned to travel to our latest Bride and Groom's residence—none other than smiling and affable **Charlie Werner** and his Lucille, in Bridgman, Mich. Our Committee expected to enjoy the week-end there and resume our outdoor cooking. We really have some fine culinary artists for chefs.

Shrine Night at White Sox Park was great. Our members hawked tickets everywhere. At least we sold all we agreed to sell, thereby aiding the cause. We hope the overall effort met our Potentate's expectations. It all looked great from behind home plate and about two tiers up. The Hospitality Committee, being very fond of fine music, surely missed Medinah's wonderful Brass Band that evening.

We are looking forward to the coming Fall and Winter activities of our beloved Medinah. Bear down hard to bring in those petitions. They are needed if our Temple is to grow and prosper. Its been a long time since we've had a really big group of candidates. Work just a bit harder to do your part in obtaining young members to enjoy our great fraternity. Remember—we meet the 2nd Tuesday of each month at 6 P.M. on the 1st floor of the Unit Building. Come hungry because we always have dinner at 7 P.M. and sometimes its real good. Our Ladies Party will be held at the beautiful Evanston Golf Club in Skokie, Illinois, Sunday, November 26th. The Chef will outdo himself—a buffet dinner to long remember. Mac McGrannahan, Past Potentate of Oleika Temple, of Lexington, and the "blowingest" trumpet man ever, will bring up the great and wonderful Eight-Balls to top off the evening. Dixie-land did you say? Sho'Nuff.

UNCLE AL

The Imperial Session is over and Deputy Chief **Carl Smith** thanks all who went for their cooperation. A special thanks goes to Mrs. Bud Dorken and Mrs. Kurt Preische who laundered our shirts so we could have clean ones for the second parade.

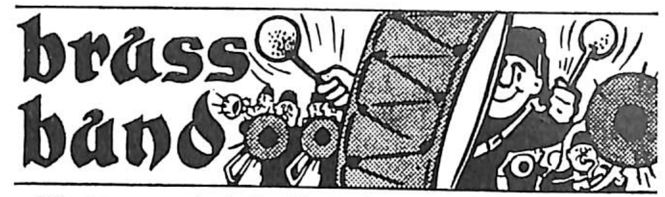
After working hard and giving long hours at the convention, **Kurt Preische** returned home only to end up in Ravenswood Hospital with a heart attack. When I talked to him, he was resting up so he could go again next year. By the time you read this he should be back at work in the C.C. room at 11th and State. He thanks all for the cards and phone calls.

Before going to the convention, **Ron LeJeune** took his family to Atlanta. Guess he was looking it over for next year's convention. Talking about vacations, **Dave** and Mrs. **Weber** did it up good. They flew across the pond to Copenhagen and then on to Johannesburg to visit friends and relatives. He must have for I received a card from Johannesburg.

Rumor is **Hank Schneider** has a new uniform ready to be presented for our Unit. We should be hearing more about this in the very near future.

The officers and members of the Police Unit express sincere sympathy to the family of **Arthur Petersen,** Area 5 Youth, C.P.D., on their loss. Art was a long time member of our Unit.

RAY WOHLERS



We have reached the time of the year when Summer and vacations are behind us. There is a scarcity of news.

A vote of thanks to **Rex Brewer** and **Tom Henderson** for the excellent job they did at the Medinah picnic in serving all of the barbecued goodies. Also to the Nobles who gave them a hand, and the group of bandsmen who took time to furnish us with their special brand of music.

Lou Baker did it again by attending the Shrinetennial Session in Dallas. He can cut 51 notches in his belt. As we all know he holds the record in the Brass Band for attendance at Imperial Council Sessions. I just wonder how many Nobles at Medinah can equal this record or possibly beat it.

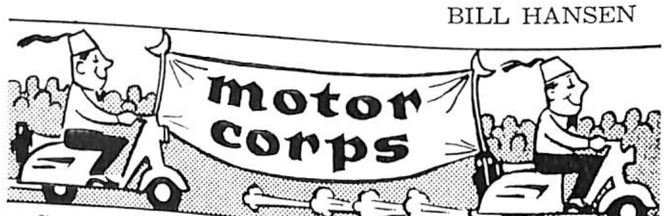
John Marti, Chairman of the Sick and Welfare Committee, informs us that there are no new Nobles on the sick list, and those who were on the list are recuperating and should be back to rehearsals shortly.

I would like to comment on one article that appeared in the July-August issue of Medinah Magazine. In reading the Shrinetennial insert I felt that I was there to participate in the various affairs. The word picture of the various events shows the reason that Editor **Allan D. Parsons,** and his staff, won first place in the Class "A" publications. So keep up the good work and possibly we can win it for the fourth time in Atlanta in '73.

Now that Summer is over we have to get down to the business of practicing and readying for the Fall and Winter events. Namely, we have the Chanters and Brass Band concert on Sunday, October 29th, the Medinah Fall Ceremonial on Saturday, November 18, 1972 in honor of our Imperial Potentate, Henry B. Struby. So let's keep up the good work by getting in the petitions which are so urgently needed for our existence.

See you at rehearsals.

BILL HANSEN



Someone once said that there is no glory in finishing lower than first, a variation on the "nice guys finish last" theme. Well, they may have forgotten that a potential winner in motorcycle drill competition, for instance, may be shaded by an extra tight turn during the drill, or less than perfect posture on the bike, or an over-anxious rider on a cross over. Monday morning quarterbacks are having a field day figuring out why the Motor Corps was aced out of first place in the competition at Dallas. Competing against some of the best riders in the country, Medinah's fastest fezzes came **that close** to riding off into the Texas sunset with that big #1 trophy in the saddle bag. Whipped into a frenzy by our intrepid drill instructor, **Heinz Koch,** it was, to say the least, an ego-shattering experience, though not a fatal blow. After suffering some equipment damage in a minor mishap just hours before competition time, a less determined band of warriors may have come completely demoralized at that juncture, but not our heroes! Literally, picking themselves up from the floor (or was it the street?) the Corps put on a dazzling display of daring-do that had even the local Texans standing tall in the saddle straining to see what these Yankee city slickers were up to. Even the best of the local riders of the range had to admit that there was no dishonor to finishing second and missing first by a whisper against the class of competition that showed up at Big "D."

Will we go for broke next year in Atlanta? Well, that's really begging the question, for when you come that close to victory you just don't quit until the torch is held high. In other words, we'll definitely be at the starting gate next July. Incidentally, what a great lift it was to have so many of the Motor Corps wives adding so much glamour to our group, as well as cheering the guys along on their quest for victory. Also, many thanks to **Joe DeSanto** and his Elinor for the fantastic job of arranging all those last minute parties and get togethers that become so much a part of these annual conclaves. So much work and so little glory for which all of us are most grateful.

Incidentally, Joe entered the hospital for surgery shortly after returning from Dallas. We are happy to report that he is mending well, but slowly and as we go to press he may be at home in Blue Island, so a card or phone call would be in good order.

Another bright twosome that gladdened our hearts in Dallas was **Tex Ward** and his Millie. Tex seems to be getting his strength back and that is good news indeed. For those of you who missed Dallas, you may never get to see such a sight in your life as a Texas-sized barbecue. Feeding nearly a thousand hungry Yanks at an open pit barbecue on a Texas ranch with all the smoked ribs you could feed your face, topped off by a rodeo with real, genuine cowboys and cowgals, including our Illustrious Sir in the saddle, was something you had to experience to believe! If you missed it—sorry about that.

Regular practice sessions will continue but in the meantime, the Fall social events are coming up fast and the big one we're all looking forward to is the annual Motor Corps dinner, which really kicks off our season. So polish up those dancing shoes **Davey, Pat, Jim,** et al (yes, even you wall flowers) cause the Lindy Hop is making a comeback. Again, we doff the friendly fez of welcome to our newest member, **Phil Judd,** who may well be the only banjo strumming motorcycle rider in town. We don't recommend that you do both at the same time, as yet, Phil. Thanks for the many laughs in Big D, Gross. Shalom!

JOEL DANIELS

Two of our Nobles will move out of this area soon. **Dwight Chambers** will reside in Havana, Illinois. Though it's 200 miles from Chicago, he hopes to come in for all of the Shrine functions. **John** and **Dorothy Frankenbach** will move a bit farther. Their new address will be 513 N. 55th Place, Mesa, Arizona, 85205. We hope they too, will come in and pay us a visit when circumstances permit.

Bob Stewart has been named Chairman of the R & H Committee at the Scottish Rite. We wish him success in his new post. He replaces Willis Staples, whose term has expired.

Nicholas Schwarz says his Lodge, Oriental #33, now meets in the Cathedral of the Rite, on Wednesday nights. This being the Lodge closest to the Loop area, they expect to get a lot of new members. Nick is S.W.

Our Chief, **Wayne Lillard,** announced two new appointments on the Ushers' staff. **John Allen** was made Chairman of Entertainment, and yours truly, **Herb Glitz,** was named Scribe. We promise to do our best, with your help.

Wendell and **Laura McMinn** celebrated their 50th Wedding Anniversary, July 9th. Wendell is a former Usher who retired from our group because of ill health. He is now in better condition. **Elverton** and **Sylvia Crippen** observed their 52nd Anniversary while at the Ushers' Dinner in Dallas. We wish both couples many more happy anniversaries.

While at the Imperial Session, the Ushers had certain duties to perform, but the prize job went to **John Stumpf.** He was assigned to pull the big bass drum in the Parades with the Brass Band. Didn't even know he was a musician!

Seems a good many of our men are "Turtles." Many of them came home from Dallas with "Turtle" pins and ball point pens. We understand they (Turtles Association) made a large donation to the Crippled Childrens Hospital. If you want to become a Turtle, see **Wayne Lillard.**

A good turnout of Ushers enjoyed the Shrine's Sox ball game, July 27th. **"Duke" Kittredge** brought 90 members of his Lodge in Barrington with him. That's real support!

The Picnic at Holiday Park, July 29th, was also pretty well attended. Many thanks to **Willis** and **Peggy Staples,** who had to get there early in the morning to reserve our usual spot in the S.E. corner of the Park. Bratwurst, hamburgers, and hotdogs, were prepared for us by **Dave** and **Lill Hannenberg,** assisted by **Clarence Rempert** and his daughter, Lois, and her girl friend. The food was enjoyed by all present which included **John** and **Roena Cation, Ellwood** and **Rose Einhorn** and grandchildren, **Charles Worsfold** and friends, **Bob** and **Connie Stewart, Howard** and **Bernyce Brimmer,** and **Harold** and **Helen Griffen,** among others.

The Ushers will be on duty Grand Lodge Night, October 6th, and the Shrine Ceremonial November 18th. Dress, as usual, will be Tux and Red cummerbund.

Bring in petitions! Remember, they mean points for you and credits for our Unit.

Keep this date open—January 13, 1973—our Ladies Night, O.V.

HERB GLITZ

The Fire Unit had time to mix pleasure with business and has fond memories of the Imperial Session in Dallas. Especially enjoyable was the rodeo held at the Dude ranch and the barbecue at the Austin Patio. We thank the committee for the hospitality room and its efforts, time and material to make it a success. Before the plane landed in Dallas, a pool was made up with tickets corresponding to the exact arrival time. **Ray Flair** saw one of the tickets lying on the floor and announced that he would buy that one. You guessed it, that ticket turned out to be the winner and Ray won $60.00. However he was outfoxed by Mrs. Flair who took charge of the prize money. Total loss to Ray was $60.00 which may or may not be tax deductible.

NEWS OF MEDINAH'S UNITS . . .

(Continued from page 45)

Some news does get old, I have just learned that **Henry Sass** was installed May 23, 1972 as Commander of Bethel Commandery #36 of Elgin, Illinois. Belated congratulations.

Also belated are the thanks offered to Mrs. Ray Dreyer by the Fire Unit for the beautiful embroidery work and the hours of time spent for the lettering on our summer shirts. I believe the proudest recipients of the shirts however were the junior members. Chief **Norman Brown's** and **Paul Schoenfeld's** juniors who were proudly wearing them at the Medinah family picnic at Holiday Park.

Comments regarding the picnic were that the weather was perfect, was well attended and that everyone appeared to be having a good time. Noble **Tom Leharman's** son Fred won the swimming event for 14-year-olds and to keep the laurels in the family, Tom's daughter Carol won the swimming event for 16-year-old girls. Congratulations to both of them. Also, a thank you to the committeemen who arrived early and did most of the work for the ararngements.

Congratulations to 2nd Assistant Chief **Robert and Mrs. Knuth** on the addition of another daughter to their family roster in June of 1972.

The Fire Unit had a splendid turn out for Shrine Night at the White Sox Park and Chief Brown thanks all who were able to participate.

As this issue of the magazine goes to press your scribe has learned that **Libere Airola** has undergone surgery at St. Luke's hospital, also, on August 25th **LeRoy Zumack** was struck by an automobile and dragged six blocks down Harlem Avenue. He is in good condition, however, and recuperating in Oak Park Hospital. By the time you receive the magazine, we hope that Lee and LeRoy are back home again and fully recovered.

Our condolences go to **Chuck Neumann** on the recent death of his mother.

RAYMOND MIKKELSON, SR.

highlanders

The Summer of '72 is just a pleasant memory and with Fall upon us plans for the forthcoming Winter months are being made. Present plans are that each Highlander will have at least one petition for the Fall Ceremonial on November 18th.

Reflecting back over the past two months, the Highlanders had a successful and enjoyable Summer. As indicated in the last issue of the magazine, we placed fifth in our first Imperial Session competition. Now that we know the rules, we are shooting for number one next year.

Congratulations to Medinah's Units in their achievements in competition at Dallas, Texas. While we were in Dallas, the **John Christiansons** were sojourning around Europe. We missed them at the Imperial Session but from their reports they enjoyed their trip.

A word of apology to the **Fred Smiths.** I neglected to make note in the last issue about their wonderful hospitality to the Unit after the Worth Days parade. Our TV debut was made at the Shrine Baseball Game at White Sox Park on July 27th. The following Sunday, we held a golf outing and dinner at Brae Loch Country Club before the Lake County Shrine Football Game.

The Fox Valley Shrine Club invited us to play and take part in the festivities of their Official Visit. It was a pleasure and an enjoyable evening. After two weekends of wet grounds we entertained and were part of the program for the West Suburban Shrine Club's Polo Day at the Oak Brook Polo Club. This season has brought many "firsts" for us, such as taking part in the festivities of the Midwest Shrine Game at Milwaukee.

Winding up the Summer of '72 were the Naperville and Lemont Labor Day Parades. After which we were graciously hosted by Al and Margaret Noble. When you hear **Al Noble** introduce his wife as Noble, it's because her maiden name was Noble.

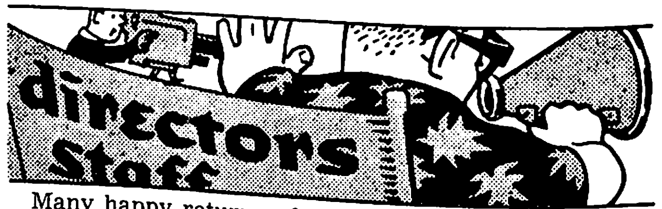
Heartfelt condolences to the family of Piper **Robert Brookman** who was suddenly taken from them by the Black Camel in July. Also to **Al Redway** and his family we extend the sympathies of the Unit on the passing of his brother.

Everyone is happy to hear that Mildred Rose, wife of Piper **Ed Rose,** was home from the hospital and recuperating from her recent surgery.

Now it is back to the drawing board for the rest of 1972 and the new year. We meet each Wednesday in Fellowship Hall at 7:30 P.M. Interested Nobles are invited to visit with us and perhaps join us. We are recruiting pipers and anticipate fielding Highland Dancers.

Many questions have been asked as to where a Highlander carries his money when he is in uniform since the Kilt has no pockets. Suspended by a chain worn around the waist is a leather or fur bag, plain or ornamented. The flap opens allowing the wearer to utilize the sporran as a pocket.

JOHN MILLER



Many happy returns of the day to our October birthday Nobles **Richard Kay** on the 1st, **Irwyn Kimball** on the 12th, **Leonard Eggert** on the 26th and **Marcell Sedlacek** on the the 30th.

Director Sedlacek, Assistant Director Davis and **Charles Collatz** attended the Imperial Council Session and reported all conditions were AOK. While there, they visited many points of interest and a spendid time was had by all.

We have that the **Allyn** family had a bang up time at Medinah's Annual Picnic.

Gene and **John Allyn,** Edna Anderson, Queenie Card, Mildred and **Charles Collatz, Dave Davis, Leonard Eggert** along with son Jeff and Jeff's buddy Paul Person, and **Bud Maart** had a lot of fun at the old ball game (Sox Park). Saw two fine ball games and watched the beautiful between games ceremonies.

Medinah's Golf Outing saw our three pros: **Charley, Dave** and **John** at their best. **Jim Baker** made up the foursome. Charley and Dave won prizes, Jim and John are still hoping. Their scores are even secret to me.

August was a good month for traveling, vacations and such. The **Eggerts** with daughter Judy and son Jeff had a marvelous time in Acapulco. The **Kimballs** and **Smiths** spent many wonderful hours viewing the majority of the stage shows in Las Vegas. They also saw quite a bit of the outlying territory and its attractions.

The Directors' Staff Swim Party and Barbecue at the Kimballs' home was a smashing success as the weather was ideal, making swimming in the lovely pool all the more pleasant. **Gene** and **John, Mildred** and **Charles, Florence** and **Ed, Edna** and **Dave, Ele** and **Bud, Marcell, Joanne** and **Perry** give our thanks to **Doris** and **Irv** for this splendid affair.

A most contented and happy November wedding anniversary to **Ethel** and **Richard Kay** on the 14th and to **Mildred** and **Charles Collatz** on the 24th.

BUD MAART

membership committee

All of us who attended the Imperial Session at Dallas had a marvelous time. Our hospitality room was well patronized. A big round of thanks to **Ray Heatley, Jerry Sowards,** and **Rolla Scott** for the way they handled things.

Ray Kessell and his lady, Olga, will be visiting that part of the country. They will be celebrating Ray's mother's birthday.

Herbert Dust and **Theodore Pearson** took fourth and seventh place in the Medinah Shrine Clubs Bowling tournament.

A warm welcome to **John C. Gray,** the newest member of the Membership Committee. John's address is 1016 N. Pleasure Ct., Aurora, Ill.

Ralph Heintz's lady, Clara, was hospitalized for ten days. Heard she is now doing fine.

The following members are going on the Medinah Greece Trip, Chairman **Frank C. Heatley** and his lady, Alice; **Henry Ayasse** and Mildred; **Ralph Heintz** and Clara; **J. Harold Johnson** and Mary Jane; **Rolla Scott** and Frances; and our alumni **Lester Bell** and Dorothy.

The Membership Committee has an enviable record in securing petitions for Medinah. We have to work as hard as we can for the Fall Ceremonial in order to uphold that record. Do not let any stone unturned in your efforts to contact prospective candidates.

This will be the last time I will remind you to mark your calendar on October 27th. On that day we will honor our Ladies by having a party for them. It is also the Official Visit of Potentate **Thomas C. Roberts** and his Divan.

J. HAROLD JOHNSON

Medinah's Clowns participated in the big Dallas, Texas Clownorama to make it one of the greatest shows of mirth ever presented. A giant Shrinetennial birthday cake was decorated before the crowd of hundreds. Gobs of frosting, red, white and blue balloons, giant roses, plenty of glitter and fire crackers made up the ingredients of the highly successful, colorful skit. **Norm Maske, Ted Costa, Cliff Chapman, Bud Alf** and **Duane Rice** had great fun in putting it all together.

Thanks to all who have complimented our Unit on our colorful truck . . . We designed, planned and worked many hours to have the truck ready for the Imperial Session in Dallas. Our members chipped in and donated the truck to the Unit . . . an example of what happens when everyone works together.

Director **Ray King's** lady, Isabel, had a total of six birthday cakes to celebrate her pool-side party in Dallas . . . Thanks to **Lillian Mercurio,** Bonnie Maske, Dorothy Rezmer and Peg Rice who arranged the "goodies."

The summer brings to a close a highly successful season for Medinah's Clowns. Plenty-of-picnics, parades, parties . . . **John Rezmer** entertained at a North Shore picnic for the handicapped, to the delight of all.

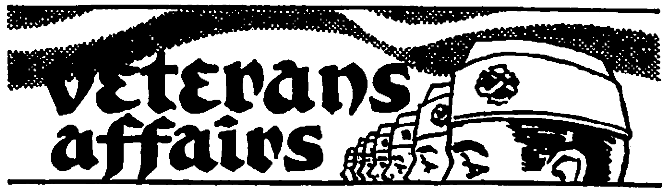
Bob Beavers and **Harold McGinn** helped other Clowns participate in Northbrook's Chamber of Commerce parade. We had a big turn-out for Zion's Labor Day parade. **Cliff Lundin** led our Unit with Medinah's clown mascot, "the monkey."

We try to keep Medinah's Nobles up to date on our members who participate in various Shrine activities. We are pleased to have **John Rezmer** on the Northwest Shrine Club's Board of Directors; also **Ted Costa** and **Steve Collura** serve as Hump Benders.

Clown Treasurer **Art Roeber** and Marge have purchased a lovely new home on Florida's East Coast and have plans to make Florida their permanent home before the snow flies. There will be a big void in our Unit without him.

Hopefully **John Klafin** is feeling much better and will soon be able to participate fully in our "clowning around."

DUANE RICE



The Veterans Administration today posed to veterans the question, "Would your survivors know what benefits they are entitled to in the event of your death?"

"If not, they should," VA officials advised.

Too often the veteran and his wife neglect to discuss this subject, placing an unnecessary burden on survivors in times of great emotional stress, it was pointed out.

Not only should the veteran and his wife discuss the locations of important family documents, they should make sure the papers are protected from fire and theft, yet readily accessible. Survivors should also be briefed on what to do in case of the veteran's death, officials emphasized.

The veteran's family should be told of survivor's benefits such as Dependency and Indemnity Compensation for service-connected death, and of nonservice-connected death pension for widows and for children where a widow is ineligible because of her income.

Attention was also called to the $250 burial allowance available for veterans of wartime service and those who served since August 5, 1964 as well as certain veterans of peacetime service.

VA further stressed that G.I. insurance policy numbers, VA "C" numbers for all correspondence with the agency, commercial insurance policies, social security numbers and naturalization papers are all important in claiming survivor benefits.

Nearly 2.2 million veterans with military service connected disabilities will receive checks with 10 percent cost of living increases.

WHAT SHRINE CLUBS ARE DOING . . .

(Continued from page 34)

Reservations can be made by contacting any of the officers.

Our President, **Dave McAfee,** is stressing the importance of getting petitions for the Fall Ceremonial which is on November 18th. Each and every one of us should do our utmost in contacting prospective candidates. By so doing, we can keep Skokie Valley Shrine Club in the upper echelons.

If you haven't attended one of our Sunday morning breakfasts you have missed a good time. We meet every second Sunday of the month at Kenilworth Inn. Breakfast is served at 8:30 a.m.

The August steak fry and official visit was held on August 19, at **Don Auble's** farm. Thanks to **Howard Campbell,** who did a fine job of putting it all together, **Ted Pearson** on tickets, **Charley Anderson** on steaks, **Chuck Gard** on corn, **Earl** "Balloon man" **Fleege, Steve Currant** and **Russ Milliren** parking, **Harry Voss, Geo. Garrod** and others on refreshments and **Don Helmig** for the sun umbrellas, tables, chairs and dinnerware for our guests. The turnout exceeded 250. The auction was the greatest in our history with help from **Doc Wubs** on the bank and our auctioneers **Joe Dixon, John Carr** and **Norm Budde.** Potentate **Tom Roberts** was presented a plaque commemorating his many activities and a check for $3,000.00 for the Shrine Hospital.

We need bowlers for the DuPage Shrine and Masonic Bowling League. We bowl at Hesterman's in Glen Ellyn on Thursday at 9:00. The league is open to any Mason and if you know of an interested party have him come out or call **Geo. Garrod** 668-3536.

We had a fine turnout in excess of 100 for the Theater Party at Shady Lane in September. The play was one of their finest.

BOB RISLOW

Southwest Suburban

We are gathering after the summer vacations and the Imperial Session in Dallas, Texas. While some of our members flew to Dallas, others on July 15th had a night at the race track. Chairman **Jerry Presbitero** has our thanks for a very well planned evening.

On July 27th, MEDINAH'S SHRINE NIGHT at Sox Park our Chairman **Art Adams** brought two bus loads of fans to see our Sox play ball.

Congratulations to our PARADE CHAIRMAN **Milfred Bettenhausen** and our Units for their participation in many parades this year.

Medinah's Picnic on July 29th certainly was a gigantic affair for our S.W.S.S.C. We fed 260 from early morning to sundown, with no shortage of steaks, ribs, etc. **Irv Armbruster,** Chairman, and his Committee invested many weeks of labor, in making all the arrangements for this feast.

Our Club Weekend at Burlingshire Resort, Wisconsin on Sept. 22nd, 23rd and 24th was another fun filled weekend, as expected. Chairman **Hal Harman** did a fine job.

On October 5th many of our Nobles and their ladies, including President **John Allyn** and his Lady, Gene, will leave on the Pilgrimage to Greece. When we return, **Roy Keebler** will have our Fall Dinner-Dance finalized for our enjoyment.

The S.W.S.S.C. Fall Dinner-Dance is scheduled for October 27th at the Elk's Club, 10600 S. Central, Oak Lawn, Illinois. Come and join us for a gay time. Call the Chairman, **Roy Keebler,** for information, 636-6381.

May I leave you with this thought: "The world is full of beauty—Sparkling seas, A garden in full bloom, The Shape of trees, A child's eyes dancing, With some new delight."

Glenbrook

The historic Union Hotel in Wheeling was the scene of Glenbrook Shrine Club's Annual Charter Night, Dinner-Dance and Official Visitation of Potentate **Thomas C. Roberts** and his Divan, on Saturday night, September 9th. This festive affair was a sell-out and the hall was jam packed with members, guests and ladies.

Among those who enjoyed the evening were the entire Divan, six Past Potentates, all five of the Potentate's Aides, one of Medinah's Co-Chaplains, the Chairman of the Board of Trustees of the Chicago Unit of the Shriners Hospitals, Medinah's Membership Chairman and the Assistant Director of Shrine Clubs for the Northern District . . . Plus many V.I.P.'s from the Rites and Blue Lodges. And almost all of the Officers, Directors and Past Presidents of the Club . . . Accompanied, of course, by their lovely ladies.

Contributing to this social "blowout" were the entertainers, Jimmy Gross & Peggy, who received round after round of applause and particularly when his instrument blew up. Following this unique program and the singing by entertainers and audience alike, James Campbell & His Happy Combo kept the crowd on its toes with their danceable music.

Potentate **Roberts** received an engraved scimitar from the Club as a memento of his visit, and his lovely Alice, the largest chrysanthemum the committee could find. Appropriate favors were presented to the ladies—Shrine pins which can be worn on their frocks or added to charm bracelets.

What has Glenbrook up its sleeve for an encore? A Mystery Party, no less, scheduled for September 21st and which we cannot report until the next issue of this magazine. All that we can say at this time is that busses were chartered to take members, guests and ladies to a secret destination for a delicious dinner and entertainment with a foreign flavor and music and dancing and, of course, surprises. We can hardly wait to tell you about the evening . . . but we must.

In October and November, Glenbrook is planning meetings for men only. Ah! And after the first of the New Year something very special, a Mexican Fiesta for all those who are planning to sign up for the Temple's Spring Pilgrimage to Mexico City and Acapulco—and those who wish they could go . . . Yes, the ladies will be invited.

How nice it was as a Northwest Shriner
To attend that Cookout—God's Open Air Diner.
We had succulent steaks, cooked to your satisfaction,
The Potentate and our Ladies, an added attraction.
What pleasure we had with all those greetings,
As Goodfellowship is paramount in all our meetings.

(Continued from page 48)

These lines by our Poet Laureate, **Antone Pertle**, were written after the first of our two summer cookouts, but without line four they could just as easily apply to the second, when 75 Nobles and Ladies enjoyed the good fellowship and mouth-watering food in LaBaugh Woods. **Percy Weldon** announced the good news that Medinah had received $16,000 from the sale of tickets to the White Sox game in July, which should net a neat sum for the Crippled Children's Hospital after necessary expenses are paid.

We were all glad to see President **Larry Matson** back after a two weeks stay in Columbus Hospital.

George Wilke causes much merriment with his printed card which, after his name, contains the line "Retired . . .?"

Thirteen Northwest Seniors, representing 25 percent of our membership, were present to honor our secretary, **Cornelius Henze**, the night in July that Goodfellowship Lodge No. 1053 awarded his 50-year pin. Present to honor Corny on his big night were **Henry Ayasse, Joe Bardell, Glen Erickson, Rudy Guenther, Guy Henderson, Glenn Hewitt, Ralph Jones, Larry Matson, William Moesta, Clarence Prieve, Adam Sieb, Ben Toede** and **Harold Weddell.**

Several Northwest Nobles celebrated birthdays in July and August. This list could easily be incomplete, but the names I have are **Henry Eismann, Rudy Guenther, Rev. Robert Hubbard, Ed Kelly, William Moesta, George Stahlman, Hans Tedran** and **Ben Toede.**

We extend our sympathies to **Harold Koenig** upon the loss of his wife. We welcome new member **Robert Hotten.** It has been reported that **William Salle** has moved to Phoenix; he will be missed at our luncheons.

Our September 19 luncheon will have been held in Gurney by the time this appears in print. More about that next time. Our next luncheons at our regular place, the Heights Restaurant in Harwood Heights, will be October 3 and 17. See you then. GLENN HEWITT

Medinah Travelers No. 1

The Ladies party which was held at the home of the "Pote," (Solems) is now past news and we believe we had the largest attendance we ever had. Even **Henry Ayass** and his wife were present and do you know that Henry went home with a sore arm. **Al Keats,** Twinkle Toes and **Phil Sahlberg** did a great job of serving. **Bill Shine** had his friend along and she did a great job of pepping up the gang. She also did a great job at Northwest's steak fry, which by the way was the best of all. We listened to a pep talk by Potentate **Tom Roberts** to sell tickets for the White Sox double header. Shrine Night at White Sox Park is old news but we did see two fine ball games and in fact almost saw history in the making.

We regret to announce that the Black Camel took **Henry Dueno.** We send condolences to his wife and daughter. We will miss some of the travel stories and experiences he had. **Leonard Bish** lost his sister and **Tom Williams'** wife of many years passed away, so our condolences to Leonard Bish as well as Tom and his daughter.

We sure had a wonderful time at the Medinah Picnic and Golf Outing at Medinah Country Club. We feel sure that our success this year will be greater than in past years. Wonder what the Greeks think when they find out that **Elmer Barkman** is over in Greece? Eleanor Keats is now back from her world cruise, and Al is looking forward to pork chops. We sure packed them in the last couple of meetings. PERCE WELDON

NEWS OF MEDINAH'S UNITS . . .

(Continued from page 47)

VA officials stressed that the increases will be paid automatically, and that eligible veterans need not contact the agency to receive them.

With the 10 percent increase, a 50 percent disabled veteran's compensation would go from $135 to $149 a month, and a 100 percent disabled veteran would receive $495 monthly instead of $450.

Before the 10 percent increase, some veterans adjudged to have suffered certain specific severe disabilities could draw as high as $1,120 a month. They would receive $1,232 monthly under the increased rates. However, compensation in this category is decided on an individual basis.

Public Law 92-328 also provides a $150 a year clothing allowance for veterans who wear prosthetic devices because of service connected disabilities, if these devices tend to wear or tear their clothing. Wheelchair patients are included. Additional details on that benefit will be announced later, officials said.

Still another provision of the new law makes peacetime veterans eligible for compensation at the same rate as wartime veterans, instead of the 80 percent of wartime rate which has been in effect for 40 years. This equalization provision will not go into effect until July 1, 1973.

Compensation is paid to veterans whose injuries or diseases were incurred in line of duty (or aggravated by it), and who were discharged or separated under other than dishonorable conditions.

ROBERT T. BOYAJIAN

WHAT IS AN AMERICAN?

He is the fellow who yells for the government to balance the budget, then takes the last dime he has to make the down payment on a car.

He whips the enemy, then gives him the shirt off his back.

He yells for speed laws that will stop fast driving, then won't buy a car if it can't make 100 miles an hour.

He knows the line-up of every baseball team in the American and National Leagues—and does not know half the words of the "Star Spangled Banner."

He'll spend half a day looking for vitamin pills to make him live longer, then drive 90 miles an hour on slick pavement to make up for lost time.

He ties up his dog but lets his sixteen year old son do whatever he wants.

He will work hard on a farm so he can move into town where he can make more money so he can move back to the farm.

He couldn't fight his way out of a paper bag, but spends 20 bucks for ringside seats, and tells the professionals how to fight.

We're the country that has more food to eat than any other country in the world and more diets to keep us from eating.

We're the most ambitious people on earth, and we run from morning until night trying to keep our earning power up with our yearning power.

We're supposed to be the most civilized Christian nation on earth, but still can't deliver payrolls without an armored car.

But we're still pretty nice folks. Calling a person "A Real American" is the best compliment you can pay him. Most of the world is itching for what we have, but they'll never have it until they start scratching for it as an individual.

THE PLEDGE OF ALLEGIANCE

In a signed editorial, George J. Lockwood, editor of "Insight," the Sunday magazine of the Milwaukee Journal, avers that America has been saying the Pledge of Allegiance wrong by inserting a comma where that punctuation mark should not be. He avers that there is no comma after the word "nation" in the phrase "one nation under God . . ." in the official version of the oath, and he is right.

He states that this inflection was instilled in us in grade school, probably before the words "under God" were added when "Congress in 1954, changed the Pledge in the wake of patriotic fervor during the Korean War." Reviewing the story of the Pledge in the magazine, "American Heritage," he cites that the Pledge was first introduced in a promotional campaign in the 1890's by the "Youth's Companion," a weekly children's publication—who among us old-timers can remember the battle in the family to see who first got to read it!

At that time there was no federal law stating where, when or how the flag could be displayed or prohibited the universal use of the flag in every type of advertising. As a part of the campaign to encourage the flying of the flag over every schoolhouse, a 23-word flag oath was written, similar to the one that we repeat now. It was not until 1910, however, that the Pledge was sanctioned legally, following the statute in New York that required the pledge to be said each school day.

"Later a squabble developed," he stated, "over the authorship of the Pledge. A research team of the Library of Congress, in 1957, finally pronounced that the author was Francis M. Bellamy."

The Pledge—you will remember—was said regularly by millions of school children during the early decades of this century, but it did not become nationally official until World War II when universal patriotism prompted Congress to pass Public Laws 623 and 829 which established a flag code—the first since the nation was founded.

Today, we know that many religious groups, more or less conscientious objectors, and even plain citizens challenge the right of government to require the saying of the oath in school, or even saluting the flag. But Shrinedom, in its opening ritual, proud of its being and the nation, uses the oath and salute. But the wording has been slightly changed.

Because Shriners proudly exist in Canada and Mexico, the Shrine has expediently changed the original words, "I pledge allegiance to the flag of the United States of America and to the republic for which it stands," to read "I pledge allegiance to my flag and to the country for which it stands." The expressed sentiment is still there and all Shriners can recite it, gladly and confidently.

And the original phrase is "one nation under God"; it has not been changed, only in transition, and we have dropped the comma, accordingly, in our Pledge, repeated each month, on our front cover. May it thus stand as all Shriners believe it is.

That nearly 3 million young men have knelt at DeMolay altars all over the world, and there are 170,000 active DeMolays today in over 2,500 chapters in 12 countries and territories. . . .

That membership for young men 14 through 20 is NOT restricted to sons or relatives of Masons. . . .

That DeMolay inspires boys to become better sons, better men and better leaders. . . .

That DeMolay is a dynamic force in combating juvenile delinquency . . .

That the initiation contains no hazing or frivolity but is a solemn presentation that impresses an obligation on a young man to live and do right. . . .

That Senior (over 21) DeMolays have become leaders in every walk of life. . . .

That over 50% of all DeMolays become Masons. . . .

Second Hand . . .

What was the first thought that crossed your mind when you read the heading of this column? An indicator designed to mark the seconds on a timepiece? Or something that is not new, but used? You're aware, of course, of the psychologist's technique of calling out a word and having the subject being examined respond by revealing the first thing that comes into his mind when he hears the word. Relax . . . this is no test; nor is it an attempt to encourage introspection. Just our way of leading into the material we pack into these few inches of space . . . some reaching us second hand through contributors, some as current as the present sixtieth part of a minute . . . The reference to the son of the Al Malaikah Potentate reminds us that Arlington Heights is known to many as "the home of Past Potentates" . . . Names? . . . Sig Chakow, Walter Dill and William Sullivan . . . And speaking of P.P.'s, William Mutter is moving to his condominium in Florida . . . Has, at this moment, shipped much of his household goods . . . Those wall-shaking reverberations you heard in September were not as some supposed emanating from the practice sessions in the Unit Building . . . They were merely symptoms of an earthquake . . . If you are "hooked on books" (a phrase attributed to Dan Fader), it might be well to pick up a copy of Fodor's travel volume on Mexico . . . especially if you are planning on the Medinah Pilgrimage the day after Easter . . . it tells *all* about the colorful country South of the Border . . . Not everybody who wanted to accompany the Nobility to "the cradle of civilization" could go . . . the trip was oversubscribed and late applications had to be returned . . . So? A word to the wise . . . if you'd like to have fun in the sun in Mexico City and Acapulco, make your reservations *early* . . . Reminds us that various Medinah V.I.P.s have been seen recently at the Septemberfest . . . enjoying the German band at Hans Bavarian Lodge in Wheeling . . . Wonder if they were pre-testing a possible pilgrimage? . . . As we think back over the past years, about the only place our pilgrimage planners haven't considered is Alaska in winter . . . Fall hasn't come any too soon for most of us who have suffered through the rainiest summer in years . . . The talk of flooded basements by Shriners meeting at the Mosque, at Unit and Shrine Club affairs, has never been more prolific nor disconcerting . . . Now that the season is changing we have much more pleasant things to look forward to like the Ice Show on October 25th and the Fall Ceremonial honoring Imperial Sir Henry Struby on November 18th . . . And the combined Brass Band-Chanters Concert for the whole family . . . On Sunday afternoon, October 29 . . . You can help by selling tickets, persuading candidates that now is the time to petition the Shrine for membership, and treating your lady and the children to the performance by the million-dollar band and the golden-voice chanters . . . Suppose you had three sons . . . and each son played on a different football team . . . the same afternoon . . . The David Lothians have . . . and somehow they managed to attend all three games . . . How? We wish we knew so we could publish the solution here . . . The entire Press Corps thanks James Stewart for the kind words expressed in his laudatory epistle of September 8th . . . You'll find it on page 4 of this issue . . . Incidentally the article entitled "The Age of Miracles" appearing in the Shrinetennial insert in Medinah Magazine was reprinted in the September Imperial Shrine News . . . And the Shrine Hospital address from the same July-August issue is scheduled to be reprinted in the December Executive Review . . . From time to time we receive inquiries for copies of photos that appear here . . . They may be ordered from the members of our photographic staff who made them and whose names are credited below the pictures . . . for a small print charge . . . Much credit is due Assistant Rabban Clare Lang, who was in charge of Medinah's participation in the Imperial Session, for the exceptionally fine and efficient handling of the thousand and one details . . . Sharing your good fortune can be like giving yourself a present . . . You can join the One Hundred Million Dollar Club by making out a check for $100 or more . . . thus helping the Crippled Childrens Hospitals . . . and it's tax deductible . . . Isn't it time to do yourself this favor? . . . Few can surpass the Medinah Clowns in making others happy . . . those funny fellows who cheer up children in the hospitals . . . make youngsters laugh along the parade routes . . . entertain boys and girls at innumerable Christmas parties . . . They never say, "No," when called upon to help a good cause . . . In our next issue, look for a report in words and pictures of the Shrine trip to Greece, that long-awaited article on the Hospital Ushers, and detailed coverage of the many Temple functions and O.V.'s to Units and Shrine Clubs . . . In the meantime we've come to the end of another column. Spinoza, the philosopher, has been quoted as saying, "Men do all things for an end." Like combining substance and trivia?
